# Safety Instruction Guide for SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS

## Introduction

Thank you for choosing the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS from MANTIS TECH LLC. This product is designed to enhance your training experience with firearms by allowing the attachment of the MantisX training device to compatible magazine floorplates. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always follow local laws and regulations regarding firearm usage and accessories.
- Ensure that the magazine rails are compatible with your specific firearm model before use.
- Inspect the product for any visible damage or defects before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Do not use the magazine rails with firearms that are not listed as compatible.
- Avoid exposing the product to extreme temperatures or moisture, which may affect its performance.
- Ensure that the MantisX training device is securely attached before use.
- Never attempt to modify the magazine rails or the firearm in any way that could compromise safety.
- Use the magazine rails only for their intended purpose, which is to facilitate training with the MantisX device.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing magazine floorplate from your firearm's magazine.
- Attach the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS to the magazine by following the manufacturer's instructions.
- Ensure that the magazine rails are securely attached and that there are no gaps or movement.

### 2. Usage:

- Attach the MantisX training device to the magazine rails as per the device's guidelines.
- Conduct your training sessions in a safe and controlled environment.
- Regularly check the attachment of the MantisX device during training to ensure it remains secure.
- After training, remove the MantisX device and store it properly.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and plastic materials.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS, please refer to the manufacturer's website or customer support resources. It is important to ensure that you have the most accurate and up-to-date information regarding product safety and usage.

Thank you for your attention to these safety instructions. Your safety and the safe use of your firearm are our highest priorities.
