Safety Instructions for SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS

Introduction

Thank you for choosing the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS. This product is designed to enhance your training experience with firearms that may not have an existing rail. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is compatible with your firearm model before use.
- Always handle firearms with care and follow the manufacturer's instructions for safe operation.
- Store the magazine rails in a safe and dry place, away from children and unauthorized users.
- Regularly inspect the magazine rails for any signs of wear or damage before each use.
- Report any unsafe product experiences or accidents to local authorities.

Specific Safety Precautions for Use

- Do not use the magazine rails if they are damaged or show signs of wear.
- Avoid using the magazine rails in wet or humid conditions to prevent deterioration.
- Ensure that the MantisX training device is securely attached to the magazine rails before use.
- Always follow safe firearm handling practices, including keeping the firearm pointed in a safe direction and keeping your finger off the trigger until ready to shoot.
- Use appropriate protective gear, such as eye protection, when training with firearms.

Instructions for Installation and Usage

1. Installation of Magazine Rails:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing magazine floorplate from your firearm's magazine.
- Align the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS with the magazine.
- Securely attach the magazine rails by pressing them firmly onto the magazine until they click into place.

2. Attaching the MantisX Device:

- Align the MantisX training device with the rail on the magazine rails.
- Slide the device onto the rail until it is securely locked in place.

3. Usage:

- Once installed, you can proceed with your training sessions, focusing on holster draws and other training exercises.
- Regularly check the attachment of the MantisX device during use to ensure it remains secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and plastic waste.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety while using the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS. Enjoy your training and stay safe!
