# Safety Instruction Guide for AccuTac Picatinny Rail Mount

## Introduction

Thank you for choosing the AccuTac Picatinny Rail Mount. This guide provides important safety information and instructions for the proper use and installation of your product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always ensure the Picatinny Rail Mount is installed securely before use.
- Regularly inspect the mount for wear, damage, or loose components.
- Do not exceed the recommended weight limit for the mounted accessory.
- Keep the product out of reach of children and vulnerable individuals.
- Use only the recommended hardware for installation to avoid accidents.
- If you notice any malfunction or damage, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Ensure that the rail mount is compatible with your firearm and the intended accessory.
- When mounting, ensure that the surface is clean and free from debris to avoid improper installation.
- Use caution while handling tools during installation to prevent injury.
- Do not attempt to modify or alter the rail mount or its components.
- Always follow the manufacturer's instructions for the accessory being mounted.

## Instructions for Installation and Usage

### 1. Preparation

- Gather the necessary tools: a screwdriver and appropriate screws.
- Ensure you have the two 1032 x 1.25" bolts or wood/metal screws as required for your installation.

### 2. Installation Steps

- Identify the mounting area on your stock that has a 48mm bolt span.
- If using bolts:
  - Align the rail mount with the holes on the stock.
  - Insert the 1032 x 1.25" bolts through the rail mount and into the stock.
  - Tighten the bolts securely using a screwdriver.
- If using screws:
  - Align the rail mount with the desired position on the stock.
  - Insert the wood or metal screws through the rail mount into the stock.
  - Tighten the screws securely.
- Ensure that the rail mount is firmly attached and does not wobble or move.

### 3. Usage

- Once installed, attach your accessory to the Picatinny Rail Mount as per the accessory's instructions.
- Always check the attachment before use to ensure it is secure.

## Disposal Instructions

- Dispose of the Picatinny Rail Mount and any packaging materials responsibly.
- Follow local regulations for disposal of aluminum and metal products.
- Do not dispose of the product in household waste; consider recycling options.

## Contact Information for Further Support

For any safety inquiries or support, please consult the manufacturer directly through their official channels. They can provide assistance and further information regarding your product.

## Conclusion

By following these guidelines and instructions, you can ensure the safe and effective use of your AccuTac Picatinny Rail Mount. Always prioritize safety and adhere to the recommendations outlined in this guide. Thank you for your attention to these important safety measures.
