# Safety Instruction Guide for Jacketed Rifle 22 Caliber, 5.56mm Bullets

## Introduction

Thank you for choosing Berry's Manufacturing Jacketed Rifle 22 Caliber, 5.56mm Bullets. This guide contains important safety information to ensure your safe use of this product. Please read and follow these instructions carefully to minimize risks and enhance your shooting experience.

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Ensure that you are legally permitted to purchase and use this product in your jurisdiction.
- Regularly check for updates regarding product recalls or safety notices.

## Specific Safety Precautions for Use

- Use only firearms that are specifically designed for 22 Caliber, 5.56mm ammunition.
- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify or alter the bullets in any way.
- Follow all local laws and regulations regarding the use and transportation of ammunition.
- Check your firearm for proper function and cleanliness before loading and firing.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

- Ensure your firearm is unloaded before loading bullets.
- Load bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm model.
- Always point the firearm in a safe direction when loading, unloading, or handling.
- After firing, check that your firearm is clear of any obstructions or misfires before reloading.
- Dispose of any misfired or damaged ammunition safely, following local regulations.

## Disposal Instructions

- Dispose of used or damaged bullets in accordance with local waste disposal regulations.
- Do not throw bullets in regular trash. Contact local authorities for proper disposal methods.
- Ensure that all ammunition is stored securely until it can be disposed of safely.

## Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please contact your local distributor or the manufacturer directly. It is important to have access to professional support for any questions related to the safe use of your ammunition.

Thank you for prioritizing safety and responsible shooting practices. Enjoy your experience with Berry's Manufacturing products!
