Wilson Combat® has been supplying serious shooters and professionals with the worlds' most reliable and durable .45 auto magazines for the past 30 years. They are used by the worlds' most Elite U.S. Army SPEC OPS unit, FBI SWAT, Thunder Ranch and professionals worldwide. NO other .45 magazine on the market can compare for proven inherent reliability, durability and the ability to remain fully loaded for long periods of time without damage. Wilson Combat magazine springs are specially fabricated from the highest tensile strength heavy duty spring wire for long service life enhanced feeding and positive slide stop operations. Their magazine bodies are manufactured from .027" (the thickest in the industry) aircraft grade certified 17-7 PH stainless steel and heat treated for maximum durability and service life. Their dimensional tolerances are held so close that you will never encounter a Wilson magazine that doesn't drop free from your pistol or that your rounds are tight inside the tube as long as your pistol and ammo are close to proper specifications.

## Introduction

Thank you for choosing the Wilson Combat 1911 Magazine. This guide provides essential safety instructions to ensure the safe use and maintenance of your magazine. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the magazine.
- Always handle firearms and magazines with care, treating them as if they are loaded.
- Store magazines and firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazine for any signs of damage or wear. Do not use a damaged magazine.
- Use only specified ammunition types in your magazine to avoid malfunctions.
- Follow all local laws and regulations regarding firearm and magazine usage.

## Specific Safety Precautions for Use

- Always ensure that your firearm is pointed in a safe direction when loading or unloading the magazine.
- Do not attempt to modify the magazine or use it in a manner not intended by the manufacturer.
- Be cautious when loading the magazine; avoid pinching your fingers.
- If the magazine does not drop free from the firearm, do not force it. Check for obstructions.
- Keep your magazine clean and free from debris to ensure proper operation.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of your firearm.
- Firmly push the magazine into the well until it clicks into place.

### 2. Usage:

- Load the magazine by pressing the follower down and inserting rounds into the magazine.
- Ensure that rounds are seated properly and that the magazine is filled to its capacity.
- Insert the loaded magazine into the firearm as described in the installation section.
