

# 1911 ELITE TACTICAL MAGAZINES 9MM - WILSON COMBAT 1911 ELITE TACTICAL MAG COMPACT 10-RD LO-PROFILE STEEL BASE

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Introducing The Wilson Combat Next Generation ETM-9mm 1911 magazines- Now Completely Redesigned for Enhanced Reliability In the quest for flawless magazine function across a wide variety of custom and production handguns Bill Wilson has redesigned our Elite Tactical 9mm 1911 magazines to feed more smoothly, seat easier and lock back positively in a wider spectrum of guns than ever before. Our "Next Generation" ETM 9mm magazines have arrived and like other Wilson Combat Magazines will raise the bar for 1911 pistol reliability. After months of intensive research and testing by Bill Wilson in a myriad of custom and factory 9mm 1911's we believe we have solved the issue of magazine reliability in a single stack 9mm 1911. These Next Gen ETM magazines have a redesigned tube with a small front ramp to prevent nose down feeding with short or hollow point rounds. A redesigned back spacer accommodates a wide variety of long-loaded ammunition and a stainless-steel follower and extra power spring ensure slide lockback even in guns with marginal or incorrectly fitted slide stops. These are the finest magazines made for the 9mm 1911 platform and have been rigorously tested by our cadre of professional shooters. Bill Wilson himself has logged over 10,000 rounds of various factory and reloaded 9mm ammunition to develop these magazines which are suitable for competition or tactical use. The Next Generation of 9mm 1911 reliability is available now. 9 or 10 round capacity with numbered tube Easy to load and seat with the slide in battery Available in Stainless Steel or Black finish Positive slide lock when empty .025" Tube Walls - Thickest In The Industry Superb feeding with a wide range of ammunition types Steel follower for flawless slide lock-even with marginal pistols The Stainless Steel ETM has the Strongest Magazine Tube Yet Developed, Virtually Eliminating Feed Lip Cracking, Tube Spread and Cracking and General Fatigue Proprietary Multi-Step Tumbling and Finishing Process Provides Smooth Follower Operation and Insertion into the Weapon Observation Slots Moved to the Rear of the Tube, Located Exactly Where They Need to be to Maintain the Structural Integrity Removable Base Pad for Easy Maintenance and Versatility with Different Base Pad Options No-Risk Service Policy - If the tube spreads or cracks from normal use, We Replace It! Note: Some Kimber® 1911 handguns have barrel feed ramps that are left undressed at the factory and will interfere with the ramped front of this magazine. The barrel can be easily modified by a gunsmith to provide the proper clearance required.

# Safety Instructions for the 1911 Elite Tactical Magazines 9mm Wilson Combat

## Introduction

Thank you for choosing the Wilson Combat 1911 Elite Tactical Magazines. These magazines have been designed with safety and reliability in mind. It is important to follow these safety guidelines to ensure proper use and maintenance of your product.

## General Safety Guidelines

- Always treat your magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for damage before each use. Do not use if damaged.
- Follow the firearm manufacturer's instructions for loading and unloading.
- Ensure that your firearm is compatible with the magazine before use.
- Do not exceed the magazine's specified capacity.
- Store the magazine in a cool, dry place away from moisture and extreme temperatures.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only 9mm Luger ammunition with this magazine.
- Avoid using ammunition that is damaged or shows signs of wear.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to modify the magazine in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when using firearms.
- If a malfunction occurs, follow the manufacturer's guidelines for clearing the malfunction safely.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Hold the magazine with the numbered tube facing up.
- Insert the first round into the magazine by pressing down on the follower and sliding the round into place.
- Continue to load rounds until you reach the desired capacity (9 or 10 rounds).

### 2. Inserting the Magazine:

- With the firearm in a safe condition, insert the magazine into the magazine well until it clicks into place.
- Ensure the magazine is securely locked in before proceeding.

### 3. Removing the Magazine:

- Press the magazine release button on the firearm.
- Grasp the magazine and pull it straight out of the magazine well.

### 4. Maintenance:

- Regularly clean the magazine to ensure smooth operation.
- Remove the base pad for thorough cleaning if necessary.
- Inspect the magazine for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.
- Recycle materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of your Wilson Combat 1911 Elite Tactical Magazines, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Wilson Combat 1911 Elite Tactical Magazines. Thank you for your attention to these important safety guidelines.
