RUGER 10/22® CHASSIS MLOK SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the RUGER 10/22® CHASSIS MLOK by Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all users of the RUGER 10/22® CHASSIS MLOK are familiar with safe firearm handling practices.
- Always treat every firearm as if it is loaded.
- Keep the chassis and any attached firearm out of reach of children and unauthorized users.
- Inspect the chassis before each use to ensure it is in good condition and free from defects.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Regularly check for product recalls and safety notices on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible Ruger® 10/22® models and clones.
- Do not exceed the manufacturer's recommended weight limits for attachments on the chassis.
- Always ensure that the firearm is unloaded before attaching or detaching the chassis.
- Avoid using the chassis in wet or extreme environmental conditions unless specified by the manufacturer.
- Be cautious of sharp edges during installation and handling.
- Ensure all fasteners are securely tightened before use.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the original stock from the Ruger® 10/22® according to the manufacturer's instructions.
- Align the chassis with the firearm's action and ensure it fits snugly.
- Use the included mounting bolt and wrench to secure the chassis to the firearm. Tighten the bolt to the manufacturer's specifications.
- Attach any accessories as needed using the MLOK slots, ensuring they are properly secured.

2. Usage

- Once installed, ensure that the firearm operates smoothly within the chassis.
- Regularly check the tightness of the mounting bolt and any accessories.
- Practice safe firearm handling at all times, including proper storage when not in use.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations for aluminum products.
- If the chassis is damaged or no longer usable, consider recycling it at a designated facility.

Contact Information for Further Support

For any questions or concerns regarding the RUGER 10/22® CHASSIS MLOK, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure that you have the latest information regarding safety recalls and product updates.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
