

SIG MPX RAPTOR-LT CHARGING HANDLE - RADIAN WEAPONS SIG MPX RAPTOR-LT CHARGING HANDLE BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

Introducing the Raptor-LT Ambidextrous Charging Handle for SIG MCX™. The patented Raptor provides improved ergonomics and functionality compared to the factory variants. Its ambidextrous design allows rapid palm “blading” or finger-thumb charging of the weapon, ensuring the motion is fluid and fast from either strong or support side. Utilizing the same patented ambidextrous functionality as its predecessor, the Raptor-LT handles are machined from 7075 aluminum, MILSPEC Type III hard anodized, then over-molded with high-strength, fiberglass reinforced polymer for the ultimate combination of strength, weight, and durability. The Raptor-LT is available in black, flat dark earth, and grey, all designed to match standard Magpul® color offerings. Like all Radian products, the Raptor-LT comes with a limited lifetime warranty, and is 100% designed and manufactured in the USA. SIG MPX & SIG MCX are Trademarks of SIG SAUER Inc. registered in the United States & Other Countries. Not compatible with SIG SAUER MCX Rattler.

Attributes

- Name: [RADIAN WEAPONS SIG MPX RAPTOR-LT CHARGING HANDLE BLACK](#)
- Manufacturer: [RADIAN WEAPONS](#)
- Product no.: 100040607

Safety Instruction Guide for SIG MPX RaptorLT Charging Handle

Introduction

Thank you for choosing the SIG MPX RaptorLT Charging Handle from Radian Weapons. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your charging handle. It is crucial to read and understand this guide before installation and use.

General Safety Guidelines

- Ensure that all safety precautions are followed during the installation and use of the charging handle.
- Always keep the charging handle out of reach of children and vulnerable individuals.
- Be aware of your surroundings and ensure that the area is clear of any obstructions or unauthorized persons when handling your firearm.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the RaptorLT Charging Handle with the SIG MPX platform as specified. It is not compatible with SIG SAUER MCX Rattler.
- Ensure that the firearm is unloaded and pointed in a safe direction before installing or handling the charging handle.
- Avoid applying excessive force when charging the weapon to prevent damage to the charging handle or firearm.
- Use the charging handle as intended—do not modify or alter the handle in any way.
- Be cautious when using the charging handle with gloves, as it may affect grip and control.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the factory charging handle by following the manufacturer's instructions.
- Align the RaptorLT Charging Handle with the charging handle slot on the firearm.
- Insert the charging handle until it is securely in place.
- Test the charging handle to ensure it operates smoothly before use.

2. Usage:

- To charge the weapon, place your palm on the charging handle and pull back to the rear, or use your thumb and index finger to grip the handle.
- Ensure a firm grip and a smooth motion to avoid any mishaps.
- After charging, check the firearm to confirm it is ready for use.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations for electronic waste and metal products.
- Do not dispose of the charging handle in regular household waste.
- Consider recycling the charging handle if possible, as it is made from aluminum and polymer materials.

Contact Information for Further Support

For inquiries regarding safety or product support, please refer to the official website of Radian Weapons or consult your local dealer for assistance.

By adhering to these guidelines, you can ensure the safe and effective use of your SIG MPX RaptorLT Charging Handle. Thank you for prioritizing safety in your firearms handling practices.
