

# AR-15 TALON AMBIDEXTROUS SAFETY 4 LEVER - RADIAN WEAPONS TALON SAFETY SELECTOR AMBIDEXTROUS 4 LEVER TUNGSTUN

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

The Talon™ ambidextrous safety selector is a modular design that can be installed as a standard 90° or as a 45° short throw by simply rotating the shaft 180° inside the lower receiver. Selector levers install using a precision machined dovetail interface with spring-loaded retention stud to lock the lever in place – no screws to come loose or break. The Talon is compatible with most semi-automatic AR15 & AR10/SR25-pattern rifles. Patent pending. Designed & Manufactured in the USA 4-Lever Combo: Short, Medium, Medium Taper, & Long Levers Machined from Billet aircraft grade aluminum w/ MilSpec Type 3 Hard Coat Anodized Finish or Cerakote Center Shaft Machined from Hardened Steel w/ Black Nitride Finish

# AR15 Talon Ambidextrous Safety Selector Safety Instructions

## Introduction

Thank you for choosing the AR15 Talon Ambidextrous Safety Selector. This product is designed for safe and effective use in semiautomatic AR15 and AR10/SR25 pattern rifles. Please read this safety instruction guide carefully to ensure proper installation, usage, and disposal of the product.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure the firearm is unloaded before installing or adjusting the safety selector.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the safety selector for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm safety and usage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the Talon safety selector with compatible AR15 and AR10/SR25 pattern rifles.
- Ensure that the selector is properly installed and locked in place before using the firearm.
- Do not modify the safety selector or attempt to disassemble it.
- Be aware of the selector's position at all times to prevent accidental discharge.
- If you experience any issues with the safety selector, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Selector:** If applicable, remove the existing safety selector by following the manufacturer's instructions.
3. **Install the Talon Selector:**
  - Choose the desired lever position (90° or 45° short throw) by rotating the shaft 180° inside the lower receiver.
  - Align the precision machined dovetail interface with the lower receiver.
  - Insert the selector lever and ensure the springloaded retention stud locks the lever in place.
4. **Check Functionality:** Test the safety selector to ensure it operates smoothly and securely.

### Usage

- Familiarize yourself with the operation of the Talon safety selector before using the firearm.
- Always engage the safety when the firearm is not in use.
- Practice switching between safe and fire positions in a controlled environment.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For questions or concerns regarding the AR15 Talon Ambidextrous Safety Selector, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety in your firearm usage. By following these guidelines, you can help ensure a safe and enjoyable experience with your AR15 Talon Ambidextrous Safety Selector.
