# Safety Instruction Guide for the 2IN1 Tool for Glock® by REAL AVID

## Introduction

Thank you for choosing the 2IN1 Tool for Glock® by REAL AVID. This guide provides essential safety information to ensure safe and effective use of your tool. By following these instructions, you can maintain your Glock safely while minimizing risks associated with the use of this product.

## General Safety Guidelines

- Ensure that the tool is used only for its intended purpose, which is to assist in the maintenance and assembly of Glock firearms.
- Always verify that your firearm is unloaded before using the tool.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of damage or wear. Do not use if damaged.
- Store the tool in a safe place when not in use to prevent accidents.

## Specific Safety Precautions for Use

- Use the tool only on Glock firearms. Using it on other firearms may lead to improper handling and safety risks.
- When disassembling your firearm, ensure that you are in a safe environment, away from people and pets.
- Avoid using excessive force when using the tool, as this may damage your firearm or the tool itself.
- Always wear safety glasses when working with firearms to protect your eyes from accidental discharge or debris.
- If you are unsure about any step in the maintenance process, consult a qualified gunsmith or refer to your firearm's manual.

## Instructions for Installation and Usage

### 1. Disassembly of Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use the 2IN1 Tool to push the pins out of the slide and frame as per your Glock model's specifications.
- Carefully remove the slide from the frame, ensuring that no parts fall out.

### 2. Changing Front Sights:

- With the tool, remove the front sight by using the appropriate attachment.
- Follow the manufacturer's instructions for installing the new front sight securely.

### 3. Reassembly of Firearm:

- Align the slide back onto the frame.
- Use the tool to push the pins back into place, ensuring they are secure.

### 4. Final Check:

- After reassembly, perform a function check to ensure the firearm operates correctly.
- Store the tool and firearm safely.

## **Disposal Instructions**

- Dispose of the tool responsibly, following local regulations regarding metal and tool disposal.
- If the tool is damaged beyond repair, consider recycling it at a facility that accepts metal tools.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please reach out to the designated support contact for your region. Always ensure you have the most current information regarding product safety and recalls.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your 2IN1 Tool for Glock® by REAL AVID. Thank you for prioritizing safety in your firearm maintenance.
