PACESETTER RIFLE THREEDIE SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed to help you safely and effectively reload ammunition for the 300 HAM'R cartridge. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with reloading.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Use this product only for its intended purpose, which is to reload 300 HAM'R cartridges.
- Keep the reloading area clean and organized to prevent accidents.
- Store all reloading components, including this die set, out of reach of children and pets.
- Be aware of the potential hazards associated with reloading, including the handling of gunpowder and primers.
- Ensure that you are familiar with local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Avoid wearing loose clothing or jewelry that could become entangled in the reloading equipment.
- Do not smoke or have open flames in the reloading area.
- Use only recommended powders and primers that are suitable for the 300 HAM'R cartridge.
- Never exceed the maximum recommended load data provided in the instructions.
- Inspect all components for defects before use; do not use damaged items.
- Ensure that the reloading press is securely mounted to a stable surface to prevent tipping.

Instructions for Installation and Usage

1. Setup:

- Ensure your workspace is clean and free from distractions.
- Gather all necessary tools and components including the PACESETTER RIFLE THREEDIE SET, reloading press, shell holder, and powder measure.

2. Installing the Die Set:

- Insert the Full Length Sizing Die into the reloading press and tighten securely.
- Install the Bullet Seating Die in the same manner.
- Finally, install the Factory Crimp Die.

3. Using the Die Set:

- Place the Universal Shell Holder into the press and ensure it is properly seated.
- Follow the load data provided in the instructions for the correct powder charge and bullet seating depth.
- Cycle the press to resize the brass, seat the bullets, and crimp them securely.

4. PostReloading:

- Inspect each cartridge for proper seating and crimping.
- Store completed ammunition in a safe, dry place.

Disposal Instructions

- Dispose of any unused or expired reloading components according to local regulations.
- Do not throw away hazardous materials such as gunpowder or primers in regular trash.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the PACESETTER RIFLE THREEDIE SET, please reach out to the manufacturer or your local distributor.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable reloading experience with your PACESETTER RIFLE THREEDIE SET. Always prioritize safety and adhere to best practices throughout the reloading process.
