# Safety Instruction Guide for BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION 0.309"

## Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to safely size cast bullets, as well as seat and crimp gas checks. It is compatible with any Breech Lock enabled reloading press and should be used in conjunction with the Breech Lock Bullet Sizer Kit. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read and understand the instructions before using this product.
- Ensure that the reloading press is in good working condition prior to use.
- Keep the work area clean and organized to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling materials.
- Store the product in a dry and secure location, out of reach of children and pets.
- Regularly inspect the product for wear or damage; do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended diameter of 0.309 inches when sizing bullets.
- Always ensure that the bullet is properly seated in the sizer before applying pressure.
- Avoid placing hands or fingers near moving parts during operation.
- Do not use the product for any purpose other than intended.
- Ensure that the Breech Lock Bullet Sizer Kit is properly assembled before use.
- If you experience any unusual resistance or difficulty during operation, stop immediately and inspect the product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Attach the Breech Lock Bullet Sizer to the press according to the manufacturer's instructions.
- Verify that the sizer is properly aligned and locked in place.

### 2. Usage:

- Prepare your cast bullets and ensure they are clean and free from debris.
- Insert the bullet into the Breech Lock Bullet Sizer.
- Operate the press handle smoothly and steadily to size the bullet.
- After sizing, check the bullet for proper dimensions and any signs of damage.
- If using gas checks, follow the specific instructions provided with the Breech Lock Bullet Sizer Kit for proper seating and crimping.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer usable, check with local authorities for proper disposal methods of metal and plastic components.
- Do not discard the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please contact the manufacturer or your local distributor. Ensure you have the product details ready for reference.

Thank you for your attention to these safety guidelines. Your safety is our priority, and following these instructions will help ensure a safe and effective reloading experience.
