# Safety Instruction Guide for Lee Breech Lock Bullet Sizer & Punch

## Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to safely size cast bullets and seat and crimp gas checks. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this manual.
- Regularly inspect the product for any signs of damage or wear before use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.
- Be aware of your surroundings and ensure a safe workspace when using the product.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against potential hazards.
- Ensure that the reloading press is securely mounted and stable before use.
- Avoid using excessive force when sizing bullets to prevent damage to the product and ensure safety.
- Keep hands and other body parts clear of moving parts during operation.
- Do not attempt to modify or alter the product in any way.
- Always use the product in a wellventilated area to avoid inhalation of any fumes or particles.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your reloading press is compatible with Breech Lock accessories.
- Insert the Breech Lock Bullet Sizer into the Breech Lock adapter of your reloading press.
- Tighten securely to prevent any movement during operation.

### 2. Usage

- Prepare your cast bullets for sizing by ensuring they are clean and free of debris.
- Adjust the sizer to the desired diameter (0.356 inches).
- Place the bullet into the sizer and operate the reloading press to size the bullet.
- After sizing, check the bullet for proper fit and quality.
- If using gas checks, place them on the bullet prior to crimping as per the manufacturer's guidelines.
- Follow the same procedure for each bullet until completed.

## Disposal Instructions

- Dispose of any waste materials according to local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management facilities for specific disposal guidelines for reloading equipment.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lee Breech Lock Bullet Sizer & Punch, please refer to the product packaging or visit the manufacturer's website for additional resources and support.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Lee Breech Lock Bullet Sizer & Punch. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention and enjoy your reloading experience!
