# Safety Instruction Guide for BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION 0.357"

## Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to size cast bullets and efficiently seat and crimp gas checks. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Ensure that the product is compatible with your Breech Lock enabled reloading press.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Always wear appropriate safety gear, including safety glasses and gloves, when using this product.
- Do not modify the product in any way, as this may lead to unsafe conditions.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from moving parts during operation.
- Potential for burns from hot surfaces if used with heated materials.
- Risk of lead exposure from handling cast bullets.

### • Avoiding Hazards:

- Ensure that the area is welllit and free from obstructions when operating the product.
- Use the product only for its intended purpose as specified in the instructions.
- Always secure the reloading press to a stable surface to prevent tipping or movement during use.
- Handle cast bullets with care, and wash hands thoroughly after use to avoid lead exposure.

## Instructions for Installation and Usage

### • Installation:

1. Ensure your reloading press is properly set up and securely attached to a stable work surface.
2. Insert the Breech Lock Bullet Sizer into the Breech Lock adapter of your reloading press.
3. Ensure that the sizer is locked in place according to the manufacturer's instructions.

### • Usage:

1. Prepare your cast bullets by checking for any imperfections or damage.
2. Set the desired sizing die according to the specifications for your bullet diameter (0.357").
3. Place the bullet into the sizer and pull the handle of the reloading press to size the bullet.
4. After sizing, use the punch to seat and crimp gas checks onto the bullet as needed.
5. Always follow the reloading press manufacturer's guidelines for operation and maintenance.

## **Disposal Instructions**

- Dispose of any damaged or wornout parts in accordance with local regulations.
- Ensure that all lead materials are disposed of in a manner that prevents environmental contamination.
- Do not dispose of the product in household waste; check for local recycling programs.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Lee Breech Lock Bullet Sizer & Punch, please contact your local authorized dealer or the manufacturer directly.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the Lee Breech Lock Bullet Sizer & Punch. Always prioritize safety and stay informed about best practices for using reloading equipment. Thank you for your attention to safety!
