Safety Instruction Guide for BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION 0.451"

Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to help you size cast bullets, seat, and crimp gas checks effectively. To ensure your safety and the safe use of this product, please read this guide carefully before use.

General Safety Guidelines

- Always read and follow the manufacturer's instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before use. Do not use if damaged.
- Use the product only for its intended purpose.
- Wear appropriate safety gear, such as safety glasses and gloves, while using the product.
- Ensure a clean and organized workspace to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the reloading press is compatible with the Breech Lock Bullet Sizer.
- Do not exceed the recommended pressure limits when sizing bullets.
- Avoid direct contact with sharp edges of the product.
- Be cautious of hot surfaces if the product has been in use for extended periods.
- Keep hands and clothing away from moving parts during operation.
- Use proper techniques to avoid injury when handling lead or other materials.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is properly set up and securely mounted.
- Insert the Breech Lock Bullet Sizer into the Breech Lock system of the reloading press.
- Tighten the locking mechanism to secure the sizer in place.
- Attach the appropriate punch to the sizer, ensuring it is firmly seated.

2. Usage

- Prepare your cast bullets for sizing by ensuring they are clean and free of debris.
- Place a bullet into the sizer and ensure it is aligned correctly.
- Operate the reloading press handle smoothly to size the bullet.
- After sizing, remove the bullet and check for proper sizing.
- Repeat the process as necessary for additional bullets.
- Store the product in a dry, cool place when not in use.

Disposal Instructions

- Dispose of any lead or metal shavings according to local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding safety, usage, or maintenance of the Lee Breech Lock Bullet Sizer & Punch, please refer to the manufacturer's contact information provided with the product packaging.

This safety instruction guide is designed to help you use the Lee Breech Lock Bullet Sizer & Punch safely and effectively. Please follow all guidelines and precautions to ensure a safe reloading experience.
