# **BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to size cast bullets, as well as seat and crimp gas checks. It is essential to use this product safely and correctly to ensure optimal performance and prevent accidents. Please read this safety instruction guide carefully before using the product.

## **General Safety Guidelines**

- Ensure that you are familiar with the operation of your reloading press before using the Breech Lock Bullet Sizer & Punch.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Keep the work area clean and free from clutter to avoid accidents.
- Store the Breech Lock Bullet Sizer & Punch in a safe location out of reach of children and pets.
- Regularly inspect the product for signs of wear or damage. Do not use if any parts are broken or malfunctioning.
- Follow all local laws and regulations regarding the use of reloading equipment.

## **Specific Safety Precautions for Use**

- Only use the Breech Lock Bullet Sizer & Punch with a Breech Lock enabled reloading press.
- Do not exceed the manufacturer's specified diameter for bullets (0.452 inches).
- Ensure that the product is properly installed before use to prevent accidents.
- Avoid wearing loose clothing or jewelry that could become entangled in the equipment.
- Keep hands and other body parts clear of moving parts during operation.
- Use caution when handling lead and other materials associated with reloading to avoid exposure to harmful substances.

## **Instructions for Installation and Usage**

### **Installation**

1. Ensure that your reloading press is turned off and unplugged (if applicable).
2. Attach the Breech Lock Bullet Sizer to the Breech Lock enabled reloading press according to the manufacturer's instructions.
3. Secure the product in place to prevent movement during operation.

### **Usage**

1. Prepare your cast bullets for sizing by ensuring they are clean and free from debris.
2. Insert the bullet into the Breech Lock Bullet Sizer.
3. Engage the press handle slowly and steadily to size the bullet.
4. If using gas checks, place them on the bullet before crimping.
5. Follow the same procedure for each bullet until the desired quantity is sized.
6. After use, remove the Breech Lock Bullet Sizer from the press and store it in a safe location.

## **Disposal Instructions**

- Dispose of any lead or other materials in accordance with local regulations.

- Do not throw the product in general waste. Check for recycling options or return to the manufacturer if available.

## **Contact Information for Further Support**

For any safety inquiries or further support, please contact the manufacturer directly using the contact information provided with your product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the Lee Breech Lock Bullet Sizer & Punch. Always prioritize safety and compliance with local laws when handling reloading equipment. Thank you for your attention to these important guidelines.
