Safety Instruction Guide for BREECH LOCK BULLET SIZER & PUNCHES LEE PRECISION 0.457"

Introduction

Thank you for choosing the Lee Breech Lock Bullet Sizer & Punch. This product is designed to size cast bullets, as well as seat and crimp gas checks. Proper use and adherence to safety guidelines are essential for ensuring a safe and effective reloading experience. Please read this safety instruction guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses and gloves, while using the product.
- Inspect the product before each use to ensure it is in good working condition.
- Follow all manufacturer instructions for safe operation.
- Store the product in a dry, secure location when not in use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges or moving parts.
 - Potential for lead exposure from handling cast bullets.
- **Avoiding Hazards:**
 - Always handle the product with care to avoid cuts or pinches.
 - Wash hands thoroughly after handling bullets or using the product to minimize lead exposure.
 - Do not use the product if it is damaged or malfunctioning.
- **Age Restrictions:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is compatible with Breech Lock accessories.
- Insert the Breech Lock Bullet Sizer into the Breech Lock system on the reloading press.
- Securely fasten the sizer to prevent movement during operation.

2. Usage:

- Prepare your cast bullets and gas checks according to your reloading specifications.
- Place a bullet into the sizer and ensure it is properly aligned.
- Operate the reloading press to size the bullet.
- If using gas checks, place them on the bullet before sizing.
- Inspect the sized bullets for consistency and quality before proceeding with reloading.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Lead and other materials may require special disposal methods. Check with local waste management

authorities for guidance.

Contact Information for Further Support

For any inquiries related to safety or product support, please consult the manufacturer's website or customer service.

By following these guidelines, you can help ensure a safe and enjoyable experience while using the Lee Breech Lock Bullet Sizer & Punch. Always prioritize safety and stay informed about the products you use.
