XPRESS SHELLHOLDERS LEE PRECISION #5 Safety Instructions

Introduction

Thank you for choosing the Lee XPRESS SHELLHOLDERS #5. This product is designed for use with the APP Reloading Press and Deluxe APP Reloading Presses. To ensure your safety and the proper functioning of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that you are using the shellholder that is compatible with your specific cartridge.
- Keep the shellholders out of reach of children and pets.
- Inspect the shellholder for any signs of damage before use. Do not use if damaged.
- Store the shellholders in a dry, safe place to prevent corrosion or damage.
- Use the shellholder only for its intended purpose as specified in this manual.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses, when using the reloading press.
- Ensure that the reloading press is securely mounted and stable before operation.
- Do not exceed the recommended load limits for the cartridges specified.
- Avoid distractions while operating the reloading press.
- Keep your hands and other body parts clear of moving parts during operation.
- Always follow the manufacturer's instructions for your reloading press.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Select the appropriate shellholder for your cartridge (303 British, 7 mm Remington Magnum, 480 Ruger).
- Insert the shellholder into the reloading press according to the manufacturer's instructions.
- Secure the shellholder in place, ensuring it is locked and stable.

2. Usage:

- Load the cartridge into the shellholder carefully.
- Follow the reloading press manufacturer's instructions for operating the press.
- Monitor the reloading process closely to ensure safety and accuracy.
- After use, remove the shellholder from the press and clean it as needed.

Disposal Instructions

- Dispose of the shellholders in accordance with local regulations.
- Do not dispose of shellholders in regular household waste if they are damaged or contain hazardous materials.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your Lee XPRESS SHELLHOLDERS #5, please consult the manufacturer's website or contact an authorized dealer for assistance. Always ensure that you have the latest information regarding safety recalls and product updates.

By following these safety instructions, you can help ensure a safe and effective reloading experience. Thank you for your attention to these important guidelines.
