XPRESS SHELLHOLDERS LEE PRECISION #7 Safety Instruction Guide

Introduction

Thank you for choosing the XPRESS SHELLHOLDERS LEE PRECISION #7. This product is designed for use with the APP Reloading Press and Deluxe APP Reloading Presses. It is important to read and understand this safety instruction guide to ensure safe and effective use of the shellholder.

General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading press before using the shellholder.
- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Keep the work area clean and organized to prevent accidents.
- Store all reloading components in a safe location, away from children and unauthorized users.
- Regularly inspect the shellholder for signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the shellholder only with compatible cartridges (32 Auto (ACP) and 30 Carbine).
- Do not exceed the recommended load specifications for your reloading press.
- Avoid using the shellholder with damaged or deformed cartridges.
- Ensure that the shellholder is securely attached to the reloading press before use.
- Always follow the manufacturer's instructions for your reloading press when using the shellholder.
- Keep hands and other body parts away from moving parts during operation.
- Do not leave the reloading press unattended while in use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is unplugged or in a safe state before installation.
- Locate the shellholder slot on your APP Reloading Press or Deluxe APP Reloading Press.
- Insert the XPRESS SHELLHOLDER #7 into the designated slot, ensuring it is securely fitted.
- Doublecheck that the shellholder is properly seated and locked into place.

2. Usage:

- Prepare the cartridges you will be using (32 Auto (ACP) or 30 Carbine).
- Place the cartridge into the shellholder, ensuring it is properly aligned.
- Follow the reloading press instructions to operate the press safely and effectively.
- Monitor the reloading process closely and be vigilant for any irregularities.
- After reloading, remove the cartridge from the shellholder and store it safely.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not dispose of shellholders in regular household waste.
- Consider recycling if applicable, or contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the XPRESS SHELLHOLDERS LEE PRECISION #7, please refer to the manufacturer's website or customer service for assistance. Always ensure that you have the latest safety information and guidelines.

By following these safety instructions, you can ensure a safe and effective reloading experience with your XPRESS SHELLHOLDERS LEE PRECISION #7. Thank you for prioritizing safety in your reloading practices.
