# Safety Instruction Guide for Lee XPRESS Shellholders #11

## Introduction

Thank you for choosing the Lee XPRESS Shellholder #11. This product is designed for use with the APP Reloading Press and Deluxe APP Reloading Presses. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information about product safety, usage, and disposal.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that all equipment used in conjunction with the shellholder is in good working condition.
- Regularly inspect the shellholder for wear or damage before each use.
- If you notice any defects or unusual performance, discontinue use immediately and seek support.

## Specific Safety Precautions for Use

- Do not use the shellholder with cartridges that are not compatible, such as those not listed (44 Magnum, 44 Special, 444 Marlin, 45 (Long) Colt, 303 Savage).
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Ensure that your workspace is wellventilated and free from distractions.
- Store the shellholder in a dry, secure location when not in use.
- Avoid using excessive force when inserting or removing the shellholder from the reloading press.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is turned off and unplugged (if applicable) before installation.
- Align the shellholder with the designated slot on the reloading press.
- Gently press the shellholder into place until it is securely fitted.

### 2. Usage:

- Confirm that the shellholder is properly installed before beginning the reloading process.
- Insert the appropriate cartridge into the shellholder.
- Follow the reloading press's instructions for operating the press, ensuring that you do not exceed recommended pressure limits.
- After reloading, carefully remove the shellholder from the press and inspect for any signs of wear or damage.

### 3. PostUsage Care:

- Clean the shellholder after each use to remove any debris or residue.
- Store the shellholder in a protective case or container to prevent damage.

## Disposal Instructions

- Dispose of the shellholder according to local regulations regarding metal and plastic waste.
- Do not dispose of the shellholder in regular household waste if it is damaged or unusable.

- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the Lee XPRESS Shellholder #11, please refer to the manufacturer's contact information provided with your product packaging. It is important to reach out to them for any safety inquiries or product support.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Lee XPRESS Shellholder #11. Always prioritize safety and compliance with local regulations when handling ammunition and reloading equipment.
