# **Safety Instruction Guide for XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #12**

## **Introduction**

Thank you for choosing the XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #12. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to avoid potential hazards and ensure a safe reloading experience.

## **General Safety Guidelines**

- Ensure that all safety instructions are followed during the use of the shellholder.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- Use only with compatible cartridges: 7.62 x 39 mm, 22 PPC, and 6 PPC.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Be aware of your surroundings and ensure a safe working environment free from distractions.

## **Specific Safety Precautions for Use**

- Do not attempt to modify the shellholder in any way, as this may compromise safety and functionality.
- Ensure that the shellholder is securely attached to the reloading press before use.
- Follow the manufacturer's instructions for the reloading press to ensure compatibility and safe operation.
- Avoid overloading the press beyond its specified limits.
- Be cautious when handling live ammunition and follow all applicable laws and regulations regarding ammunition handling.
- Always store the shellholder in a dry and safe location when not in use.

## **Instructions for Installation and Usage**

### **• Installation:**

1. Ensure the reloading press is unplugged (if applicable) and not in operation.
2. Align the shellholder with the reloading press's shellholder mount.
3. Securely fasten the shellholder into place according to the manufacturer's instructions.
4. Doublecheck that the shellholder is firmly attached before proceeding.

### **• Usage:**

1. Prepare your workspace and gather all necessary materials for reloading.
2. Insert the cartridge case into the shellholder.
3. Follow the reloading press's operational instructions for resizing, priming, and loading the cartridge.
4. After completing the reloading process, carefully remove the cartridge case from the shellholder.
5. Clean the shellholder regularly to maintain optimal performance and safety.

## **Disposal Instructions**

- Dispose of the shellholder in accordance with local regulations regarding nonhazardous waste.
- If the shellholder is damaged or no longer usable, do not attempt to repair it. Instead, follow local guidelines for the safe disposal of such products.

- Recycle materials where possible, and ensure that any hazardous components are disposed of safely.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #12, please refer to the manufacturer's official contact points for assistance.

## **Conclusion**

By adhering to these safety instructions, you can ensure a safe and effective reloading experience with the XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #12. Stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for prioritizing safety in your reloading practices.
