Safety Instruction Guide for XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #13

Introduction

Thank you for choosing the XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #13. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It is important to read and understand these instructions before use to prevent accidents and injuries.

General Safety Guidelines

- Ensure that you are using the product in accordance with the manufacturer's instructions.
- Always inspect the shellholder for any signs of damage or wear before use.
- Keep the shellholder out of reach of children and pets.
- Use the shellholder only with compatible cartridges, specifically the 45 Auto (ACP).
- Do not use the shellholder for any purpose other than its intended use.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using reloading equipment.
- In case of any malfunction or unusual behavior, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Read the reloading press manual thoroughly before using the shellholder.
- Ensure that the reloading press is securely mounted and stable before use.
- Keep your hands and other body parts clear of the reloading area when operating the press.
- Do not attempt to modify the shellholder or the reloading press in any way.
- Store the shellholder in a dry, cool place when not in use.
- Always follow safe reloading practices, including doublechecking powder and bullet weights.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is unplugged or not in operation.
- Align the shellholder with the press according to the manufacturer's instructions.
- Secure the shellholder in place, ensuring it is firmly attached and does not wobble.

2. Usage:

- Load the appropriate cartridge (45 Auto (ACP)) into the shellholder.
- Operate the reloading press according to its manual, ensuring all safety precautions are followed.
- After use, remove the shellholder and clean it as per the maintenance instructions.

Disposal Instructions

- Dispose of the shellholder according to local regulations regarding metal and plastic waste.
- Do not dispose of the shellholder in regular household waste.
- If the shellholder is damaged beyond repair, consider recycling it if possible.

Contact Information for Further Support

For any safety inquiries or further support regarding the XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #13, please contact the manufacturer directly through their official channels.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience. Always prioritize safety and stay informed about best practices in reloading. Thank you for choosing Lee Precision products.
