## **Safety Instruction Guide**

### **Introduction**

Thank you for choosing the XPRESS SHELLHOLDERS LEE PRECISION #14. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your shellholder with the APP Reloading Press and Deluxe APP Reloading Presses. Please read this guide carefully before use.

### **General Safety Guidelines**

- Ensure that you are familiar with the operation of your reloading press before using the shellholder.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep the work area clean and free of obstructions to prevent accidents.
- Store all reloading components, including shellholders, in a secure and dry location, out of reach of children.
- Regularly inspect your shellholder for signs of wear or damage before each use.
- Follow all local regulations and guidelines for reloading ammunition.

### **Specific Safety Precautions for Use**

- Only use the XPRESS SHELLHOLDERS LEE PRECISION #14 with compatible cartridges: 4440 Winchester and 45 (Long) Colt.
- Do not attempt to modify or alter the shellholder in any way.
- Ensure that the shellholder is securely attached to the reloading press before use.
- Avoid using excessive force when inserting or removing cartridges from the shellholder.
- Do not use the shellholder if it is damaged or shows signs of wear.
- Always keep fingers and hands clear of the reloading press's moving parts during operation.

### **Instructions for Installation and Usage**

#### **1. Installation:**

- Ensure the reloading press is turned off and unplugged before installation.
- Align the shellholder with the press mounting point.
- Securely fasten the shellholder to the press according to the manufacturer's instructions.
- Doublecheck that the shellholder is properly installed and secure.

#### **2. Usage:**

- Load the appropriate cartridge into the shellholder.
- Ensure that the cartridge is seated correctly in the shellholder.
- Follow the reloading press instructions for operating the press.
- Monitor the reloading process closely and stop immediately if any issues arise.

### **Disposal Instructions**

- Dispose of any damaged or worn shellholders in accordance with local waste disposal regulations.
- Do not throw shellholders in regular household garbage; instead, consider recycling options if available.
- Ensure that all components of the shellholder are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the XPRESS SHELLHOLDERS LEE PRECISION #14, please reach out to your local retailer or manufacturer. Always refer to the product packaging or official website for additional support and resources.

By following these safety instructions and guidelines, you can ensure a safer reloading experience with your XPRESS SHELLHOLDERS LEE PRECISION #14. Thank you for your attention to safety!
