# **Safety Instruction Guide for XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #16**

## **Introduction**

Thank you for choosing the Lee XPress Shellholders #16. This product is designed for use with the APP Reloading Press and Deluxe APP Reloading Presses. To ensure your safety and the proper functioning of the product, please read this guide thoroughly before use.

## **General Safety Guidelines**

- Always follow the manufacturer's instructions for safe operation.
- Ensure that the shellholder is compatible with your specific reloading press model.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the shellholder for any signs of damage before each use. Do not use if damaged.
- Store the shellholder in a dry and secure location when not in use.
- Report any unsafe conditions or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Use the shellholder only for the specified cartridges: 500 S&W and 7.62 x 54 mm Russian.
- Do not exceed the recommended load limits when reloading ammunition.
- Always wear safety glasses when operating the reloading press to protect your eyes from debris.
- Keep hands and other body parts clear of moving parts during operation.
- Ensure that the workspace is clean and free of obstructions to prevent accidents.
- Avoid distractions while using the reloading press and shellholder.
- Follow proper reloading procedures and guidelines to minimize risks.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the reloading press is turned off and unplugged before installation.
- Locate the shellholder slot on the reloading press.
- Insert the XPRESS SHELLHOLDER #16 firmly into the shellholder slot until it is securely in place.
- Check to ensure that the shellholder is properly seated and does not wobble.

### **2. Usage:**

- Prepare your workspace by ensuring it is clean and organized.
- Select the appropriate cartridge (500 S&W or 7.62 x 54 mm Russian).
- Place the cartridge case into the shellholder.
- Follow the reloading press instructions to perform the reloading process.
- After completing the reloading, remove the cartridge case from the shellholder.

## **Disposal Instructions**

- Dispose of the shellholder in accordance with local regulations.
- Do not dispose of the shellholder in household waste. Check for local recycling programs or hazardous waste disposal options.
- Ensure that any unused or damaged components are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #16, please refer to the manufacturer's website or contact the designated support channels.

By following these guidelines, you can ensure a safe and effective reloading experience with your Lee XPress Shellholders. Thank you for prioritizing safety!
