Safety Instruction Guide for XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #19

Introduction

Thank you for choosing the XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #19. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the shellholder to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that the shellholder is compatible with your reloading press model before use.
- Always follow the manufacturer's instructions for your reloading press and shellholder.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when reloading ammunition.
- Use the shellholder only for the specified cartridges: 9 mm Luger, 380 Auto (ACP), and 40 S&W.
- Do not modify or alter the shellholder in any way.
- Ensure that the shellholder is securely attached to the reloading press before use.
- Avoid using excessive force when inserting or removing cartridges from the shellholder.
- Do not leave the reloading press unattended while in use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged.
- Locate the shellholder slot on your reloading press.
- Align the XPRESS SHELLHOLDER #19 with the shellholder slot.
- Insert the shellholder firmly until it is securely in place.

2. Usage:

- Ensure that the reloading press is set up according to the manufacturer's instructions.
- Load the appropriate cartridge into the shellholder.
- Follow the reloading press instructions for operating the machine.
- After reloading, safely remove the cartridge from the shellholder.

Disposal Instructions

- Dispose of the shellholder responsibly.
- Do not dispose of it in regular household waste.
- Check local regulations for proper disposal methods of reloading equipment.
- If the shellholder is damaged or no longer usable, consider recycling it if possible.

Contact Information for Further Support

For any inquiries regarding safety, compatibility, or product concerns, please refer to the manufacturer's contact details provided on the product packaging or visit the official website of LEE PRECISION.

By following these safety instructions, you can ensure a safer reloading experience with the XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #19. Thank you for prioritizing safety in your reloading practices.
