Safety Instruction Guide for XPRESS SHELLHOLDERS LEE PRECISION XPRESS SHELLHOLDER #20

Introduction

Thank you for choosing the XPRESS SHELLHOLDER #20 by Lee Precision. This product is designed for use with the APP Reloading Press and Deluxe APP Reloading Presses. To ensure your safety and the proper functioning of the product, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Always ensure that the shellholder is compatible with your reloading press model.
- Inspect the shellholder for any visible damage or wear before each use.
- Use the shellholder only for its intended purpose as specified in this guide.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted and stable before using the shellholder.
- Do not exceed the maximum load capacity specified for your reloading press.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the shellholder.
- Avoid distractions while operating the reloading press to maintain focus and precision.
- Keep your work area clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged before installation.
- Remove any existing shellholder from the press if applicable.
- Align the XPRESS SHELLHOLDER #20 with the mounting point on your reloading press.
- Securely attach the shellholder according to the manufacturer's instructions.

2. Usage:

- Before reloading, check that the shellholder is properly installed and securely fastened.
- Insert the appropriate cartridge (e.g., 22 Hornet, 17 Hornet) into the shellholder.
- Follow the reloading press's operating procedures to complete the reloading process.
- After use, remove the shellholder from the press and store it in a safe location.

Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- Do not dispose of the shellholder in household waste. Instead, consider recycling options or designated disposal facilities.

Contact Information for Further Support

For safety inquiries or support regarding the XPRESS SHELLHOLDER #20, please reach out to the manufacturer or your local distributor. Ensure you have the product information available when contacting for assistance.

This safety instruction guide is designed to help you use the XPRESS SHELLHOLDER #20 safely and effectively. By following these guidelines, you can ensure a safe reloading experience. Thank you for your attention to safety!
