# Safety Instruction Guide for HEAVY DUTY GUIDED DECAPPER LEE PRECISION 17 CALIBER 204 RUGER

## Introduction

Thank you for choosing the HEAVY DUTY GUIDED DECAPPER from Lee Precision. This product is designed to assist in the decapping process of cartridge cases, specifically for calibers ranging from .34 to .35. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure you are using the product for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with Lee Decapping Die 749001565 (90292).
- Ensure the case mouth diameter is .334 inches or larger before use.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Avoid placing your hands near the decapping area during operation.
- Do not attempt to modify or alter the product in any way.
- Store the product in a cool, dry place when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your work area is clean and organized before beginning installation.
- Attach the Heavy Duty Guided Decapper Rod securely to the Lee Decapping Die.
- Adjust the rod to ensure proper alignment with the case mouth.

### 2. Usage:

- Place the cartridge case into the die, ensuring it is correctly aligned with the guided decapper.
- Operate the die according to the manufacturer's instructions, applying steady pressure.
- After decapping, carefully remove the case from the die.
- Clean the decapper rod after use to maintain performance and longevity.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for nonfood items.
- If the product is damaged or no longer functional, do not attempt to repair it; dispose of it responsibly.
- Consider recycling components where applicable to reduce environmental impact.

## Contact Information for Further Support

For any inquiries regarding the HEAVY DUTY GUIDED DECAPPER or to report safety concerns, please refer to the

manufacturer's contact information provided with your product packaging or on the official Lee Precision website.

Thank you for prioritizing safety while using the HEAVY DUTY GUIDED DECAPPER. Your adherence to these guidelines helps ensure a safe and effective experience.
