# Safety Instruction Guide for HEAVY DUTY GUIDED DECAPPER

## Introduction

Thank you for choosing the HEAVY DUTY GUIDED DECAPPER by LEE PRECISION. This product is designed to provide an efficient and safe decapping experience for .45 caliber cases. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the work area is clean, dry, and well lit.
- Keep the product out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local regulations and guidelines for reloading and ammunition handling.

## Specific Safety Precautions for Use

- Ensure that the HEAVY DUTY GUIDED DECAPPER is compatible with your Lee Decapping Die 749001565 (90292) before use.
- Only use the decapper with case mouth diameters of .334" or larger to avoid potential damage.
- Do not attempt to decap cases that are not specifically designed for this product.
- Avoid excessive force when operating the decapper to prevent bending or breaking the decapper rod.
- Always point the decapper away from yourself and others during operation.
- If the decapper becomes stuck or jams, stop using it immediately and investigate the issue before attempting to continue.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the Lee Decapping Die is securely mounted to your reloading press according to the manufacturer's instructions.
- Insert the HEAVY DUTY GUIDED DECAPPER rod into the decapping die, ensuring it is properly aligned and seated.

### 2. Usage:

- Place a .45 caliber case with a mouth diameter of .334" or larger into the die.
- Slowly and steadily operate the reloading press handle to apply pressure to the decapper rod.
- Monitor the operation closely to ensure the case is being decapped without excessive force.
- After decapping, remove the case from the die and inspect it for any damage.

### 3. PostUsage:

- Clean the decapper rod and die after each use to maintain optimal performance.
- Store the HEAVY DUTY GUIDED DECAPPER in a safe and dry location when not in use.

## **Disposal Instructions**

- Dispose of the HEAVY DUTY GUIDED DECAPPER in accordance with your local waste disposal regulations.
- Do not dispose of the product in regular household waste if it is damaged or contaminated.
- Consider recycling components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the HEAVY DUTY GUIDED DECAPPER, please refer to the manufacturer's contact information or website for support.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the HEAVY DUTY GUIDED DECAPPER. Thank you for your attention to safety and for choosing LEE PRECISION products.
