

# LEE COLLET 2-DIE NECK SIZER SETS - 7.62X54R COLLET 2-DIE NECK SIZER SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies. Maximum accuracy is usually achieved by seating the bullet out far enough to touch or almost touch the rifling. This provides the shot start pressure normally supplied by the crimp. That's why a dead length bullet seater is included to complete the most accurate reloading system ever made. These dies size only the neck to preserve the perfect fit of fire forming. Only reload cases that have been fired in your gun. Not recommended for autoloaders, slide or lever action guns.

## Attributes

- Name: [7.62X54R COLLET 2-DIE NECK SIZER SET](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100040905
- Mfr. No.: 91607
- Cartridge: 7.62x54R
- Die Style: 2-Die Set
- Delivery weight: 0.467kg
- Shipping height: 76mm
- Shipping width: 127mm
- Shipping length: 127mm
- UPC: 734307916077

# LEE COLLET 2DIE NECK SIZER SET Safety Instructions

## Introduction

Thank you for choosing the LEE COLLET 2DIE NECK SIZER SET for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling and operation of reloading equipment.
- Always wear safety glasses when reloading ammunition to protect your eyes from potential hazards.
- Keep your workspace clean and organized to avoid accidents and ensure efficiency.
- Store all reloading components, including dies, in a secure location away from children and unauthorized users.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Use only cases that have been fired in your gun to ensure proper sizing and fit.
- Avoid using the dies on autoloaders, slide, or lever action guns as they may not be compatible.
- Ensure that the collet is properly adjusted before use to avoid damaging the cases.
- Do not exceed recommended bullet seating depths as this may lead to unsafe pressures.
- Handle all components with care to avoid injury or damage.
- If you experience any issues during reloading, stop and consult the manual or seek assistance.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure that your reloading press is securely mounted and stable.
- Install the collet die into the reloading press according to the manufacturer's instructions.

### 2. Adjusting the Die:

- Adjust the collet die to the correct height for your specific cartridge (7.62x54R).
- Ensure that the mandrel is clean and free from debris before use.

### 3. Reloading Process:

- Place a fired case into the die and apply pressure using the reloading press.
- The collet will squeeze the neck of the case against the precision mandrel for a snug fit.
- Remove the resized case and inspect it for any signs of damage or irregularities.

### 4. Bullet Seating:

- Use the included dead length bullet seater to seat the bullet to the desired depth.
- Ensure that the bullet is seated straight to avoid runout.

### 5. Final Inspection:

- Inspect the completed cartridge for overall quality and safety before use.
- Store completed ammunition in a safe and secure location.

## **Disposal Instructions**

- Dispose of any damaged or unusable reloading components in accordance with local waste disposal regulations.
- Ensure that all leftover materials and packaging are disposed of responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety, usage, or any other concerns, please refer to the manufacturer's website or contact their customer service.

By following these guidelines and instructions, you can ensure a safe and effective reloading experience with the LEE COLLET 2DIE NECK SIZER SET. Always prioritize safety and compliance with local regulations. Thank you for choosing LEE Precision for your reloading needs.
