

# BUIS FOLDING FRONT SIGHTS - BUIS FOLDING FRONT SIGHT DDC

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Whether running them as your primary aiming system or relying on them as a back-up in case your main optic goes down, the Geissele Folding Sights will give you the performance you need and expect from a product designed and manufactured from the ground up in our facility located in North Wales, PA. The Geissele Folding Sights are made from 6061-T6 aluminum and are Type 3 hard coat anodized to ensure extreme durability. For optimal aiming precision, our sights can be adjusted at ½" increments at 100 yards. The adjustments for the front and rear sights are captive to ensure that once sighted-in, there won't be any adjustments not intended by the user. There are no buttons or mechanisms to accidentally bump that will activate or fold down your sights when you least expect it, simply move them up to lock into position, or apply sideward pressure to the vertical tower to lock them down. The peep aperture is .072" and the front post measures .080". These sights are accurate enough for precision use during competition, and rugged enough for duty and personal defense use. HEIGHT (deployed, from top of pic rail): 1.47" HEIGHT (folded, from top of pic rail): 0.49" LENGTH: 2.33" WEIGHT: 1.33oz FRONT POST: .080"

# Safety Instruction Guide for BUIS Folding Front Sights

## Introduction

Thank you for choosing the BUIS Folding Front Sights. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure safe use of the BUIS Folding Front Sights by following these guidelines:
  - Always inspect the sights before use to ensure they are in good condition.
  - Do not use the sights if they are damaged or show signs of wear.
  - Keep the sights away from children and unauthorized users.
  - Report any unsafe conditions or accidents to the appropriate authorities.
  - Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the BUIS Folding Front Sights, please observe the following precautions:
  - Ensure the firearm is unloaded before installing or adjusting the sights.
  - Always handle the firearm in a safe manner, following all standard firearm safety practices.
  - Avoid placing fingers near the sights when adjusting to prevent injury.
  - Do not force any adjustments; if resistance is felt, stop and reevaluate the situation.
  - Use the sights only as intended; misuse may result in malfunction or injury.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and safe to handle.
- Locate the picatinny rail on your firearm.
- Align the BUIS Folding Front Sight with the desired position on the rail.
- Securely tighten the mounting screws using an appropriate tool, ensuring the sight is stable and will not move during use.

### 2. Usage

- To deploy the sights, simply lift them into position until they lock into place.
- To fold the sights down, apply sideward pressure to the vertical tower and push down gently until they are secured in the folded position.
- Adjust the sights as necessary for optimal aiming precision:
  - Use the captive adjustments to change the sight settings at ½" increments at 100 yards.
  - The peep aperture measures .072" and the front post measures .080".

### 3. Maintenance

- Regularly clean the sights with a soft, dry cloth to remove dirt and debris.
- Inspect the sights periodically for any signs of damage or wear.
- Store the sights in a dry, cool place when not in use to prevent corrosion.

## **Disposal Instructions**

- When disposing of the BUIS Folding Front Sights, please follow local regulations for the disposal of aluminum and metal products.
- Do not dispose of the product in regular household waste. Instead, take it to a recycling center that accepts metal products.

## **Contact Information for Further Support**

- For any questions or concerns regarding the BUIS Folding Front Sights, please reach out to your local authorized dealer or manufacturer. Ensure you have the product details available for reference.

By following these safety instructions and guidelines, you will help ensure a safe and enjoyable experience with your BUIS Folding Front Sights. Thank you for your attention to safety.
