

BUIS FOLDING SIGHT SETS - BUIS FOLDING SIGHT SET DDC

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Whether running them as your primary aiming system or relying on them as a back-up in case your main optic goes down, the Geissele Folding Sights will give you the performance you need and expect from a product designed and manufactured from the ground up in our facility located in North Wales, PA.

The Geissele Folding Sights are made from 6061-T6 aluminum and are Type 3 hard coat anodized to ensure extreme durability. For optimal aiming precision, our sights can be adjusted at $\frac{1}{2}$ " increments at 100 yards. The adjustments for the front and rear sights are captive to ensure that once sighted-in, there won't be any adjustments not intended by the user. There are no buttons or mechanisms to accidentally bump that will activate or fold down your sights when you least expect it, simply move them up to lock into position, or apply sideward pressure to the vertical tower to lock them down. The peep aperture is .100" and the front post measures .080". These sights are accurate enough for precision use during competition, and rugged enough for duty and personal defense use. Front Sight Specs: HEIGHT (deployed, from top of pic rail): 1.47" HEIGHT (folded, from top of pic rail): 0.49" LENGTH: 2.33" WEIGHT: 1.33oz FRONT POST: .080" Rear Sight Specs: HEIGHT (deployed, from top of pic rail): 1.60" HEIGHT (folded, from top of pic rail): 0.52" LENGTH: 2.46" WEIGHT: 1.56oz PEEP APERTURE: 0.100"

Safety Instruction Guide for BUIS Folding Sight Sets

Introduction

Thank you for choosing the BUIS Folding Sight Sets. These sights are designed to provide reliable performance for both primary and backup aiming systems. Please read this safety instruction guide carefully to ensure safe use and maintenance of your product.

General Safety Guidelines

- Always handle the sights with care to avoid damage.
- Ensure that the sights are securely mounted before use.
- Regularly inspect the sights for any signs of wear or damage.
- Keep the sights clean and free from debris to ensure optimal performance.
- Store the sights in a safe environment away from moisture and extreme temperatures.
- Ensure that all users are familiar with the operation of the sights before use.

Specific Safety Precautions for Use

- Do not attempt to modify or disassemble the sights.
- Always use the sights in accordance with the manufacturer's instructions.
- Ensure that the sights are adjusted correctly for your specific shooting needs.
- Avoid abrupt movements when adjusting the sights to prevent accidental changes in alignment.
- If the sights do not function as intended, cease use immediately and consult a qualified technician.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded before installation.
- Locate the mounting area on the firearm's picatinny rail.
- Align the BUIS Folding Sight with the rail and slide it into place.
- Secure the sight using the provided mounting hardware, ensuring it is tightened appropriately.
- Check that the sight is stable and does not move when pressure is applied.

2. Usage

- To deploy the sights, lift them from the folded position until they lock into place.
- To fold the sights, apply sideward pressure to the vertical tower and gently push down.
- Adjust the front and rear sights in $\frac{1}{2}$ " increments at 100 yards for precision aiming.
- Ensure that both sights are properly aligned before taking aim.

Disposal Instructions

- When disposing of the BUIS Folding Sight Sets, follow local regulations regarding electronic and metal waste.
- If the sights are damaged beyond repair, dispose of them in accordance with hazardous waste guidelines to prevent environmental harm.

Contact Information for Further Support

For any inquiries or concerns regarding the BUIS Folding Sight Sets, please refer to the manufacturer's support resources or contact your local retailer.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your BUIS Folding Sight Sets. Always prioritize safety and proper handling to enhance your shooting experience. Thank you for your attention to these important safety practices.
