

# M-LOK RAIL PANELS - GEISSELE AUTOMATICS URGI M-LOK RAIL PANELS, BLACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

Designed for the URGI rail (Upper Receiver Group Improved), the Geissele Rail Panels feature an aggressive texture that greatly increases the ability to grip and handle your carbine and are made from a carefully selected defense grade polymer that is not only proven for its durability under hard use but also its ability to act as a heat shield. Geissele Rail Panels are available in Black and DDC. NOTE: Geissele Rail Panels are designed to work with Geissele's Super Modular Rails. Compatibility with other rails are unknown.

## Attributes

- Name: [GEISSELE AUTOMATICS URGI M-LOK RAIL PANELS, BLACK](#)

# Safety Instruction Guide for MLOK Rail Panels

## Introduction

Thank you for choosing the MLOK Rail Panels by Geissele Automatics. Designed specifically for the URGI rail, these panels enhance grip and provide heat protection for your carbine. This safety instruction guide is intended to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly check the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all instructions provided in this guide to minimize risks.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Grip and Handling:** The aggressive texture of the rail panels is designed to enhance grip. Ensure your hands are dry and clean when handling the carbine.
- **Heat Shielding:** The polymer material provides heat shielding. Avoid direct contact with hot surfaces after extended use.
- **Compatibility:** These rail panels are designed to work specifically with Geissele's Super Modular Rails. Compatibility with other rails is unknown, and using them with incompatible products may pose safety risks.
- **Inspection:** Before each use, inspect the rail panels for cracks, warping, or other damage. Do not use damaged panels.

## Instructions for Installation and Usage

### 1. Installation:

- Clean the rail surface where the panels will be installed to ensure proper adhesion.
- Align the MLOK Rail Panels with the slots on the rail.
- Press firmly to secure the panels in place. Ensure they are fully seated and do not move.
- Check the installation by attempting to pull the panels away from the rail. They should remain securely attached.

### 2. Usage:

- When using your carbine, ensure that your grip is secure on the rail panels.
- Avoid placing excessive force on the panels, as this may cause damage.
- If the panels become loose during use, cease operation and recheck the installation.

## Disposal Instructions

- Dispose of the MLOK Rail Panels in accordance with local regulations for plastic waste.
- Do not incinerate the panels, as this may release harmful substances.
- If the product is damaged and cannot be reused, ensure it is disposed of in a safe manner to prevent environmental harm.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MLOK Rail Panels, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
