

M-LOK RAIL PANELS - GEISSELE AUTOMATICS URGI M-LOK RAIL PANELS, DDC

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

Designed for the URGI rail (Upper Receiver Group Improved), the Geissele Rail Panels feature an aggressive texture that greatly increases the ability to grip and handle your carbine and are made from a carefully selected defense grade polymer that is not only proven for its durability under hard use but also its ability to act as a heat shield. Geissele Rail Panels are available in Black and DDC. NOTE: Geissele Rail Panels are designed to work with Geissele's Super Modular Rails. Compatibility with other rails are unknown.

MLOK Rail Panels Safety Instruction Guide

Introduction

Thank you for choosing the Geissele Automatics MLOK Rail Panels. Designed for the URGI rail (Upper Receiver Group Improved), these rail panels enhance grip and handling of your carbine while providing durability and heat resistance. This guide provides essential safety instructions and usage guidelines to ensure the safe operation of your product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MLOK Rail Panels by following all instructions provided. This product is designed for nonfood use only.
- **Enhanced Recalls:** Stay informed about product recalls. In case of a recall, standardized notices will be provided, along with free remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety requirements equivalent to those in physical stores.
- **Special Consumer Focus:** Extra caution should be taken if the product is used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Avoid Overheating:** Ensure that the rail panels do not come into contact with extreme heat sources that may compromise their integrity.
- **Inspect Before Use:** Regularly check the rail panels for any signs of wear or damage. Do not use if damaged.
- **Proper Fit:** Ensure that the rail panels are correctly installed on the rail system to prevent any slippage during use.
- **Keep Away from Children:** Store the rail panels in a safe place, out of reach of children, to prevent accidental use or injury.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe before installation.
- Align the MLOK Rail Panels with the MLOK slots on your rail system.
- Insert the included screws into the mounting holes of the rail panels.
- Tighten the screws securely but avoid overtightening, which may damage the polymer.

2. Usage:

- Grip the rail panels firmly while handling the firearm.
- Regularly clean the rail panels with a soft cloth to maintain texture and grip.
- Do not modify the rail panels in any way, as this may compromise their safety and functionality.

Disposal Instructions

- Dispose of the MLOK Rail Panels in accordance with local regulations for plastic products.
- Do not burn the polymer material, as it may release harmful fumes.
- If the product is damaged beyond use, please ensure that it is disposed of safely to prevent

environmental harm.

Contact Information for Further Support

For any additional questions or concerns regarding safety or usage, please consult the manufacturer's customer support resources or the designated EU contact point provided with your product.

Thank you for your attention to these safety guidelines. Enjoy the enhanced performance and safety of your Geissele Automatics MLOK Rail Panels.
