# AR15 458 SOCOM Extractor Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 458 SOCOM Extractor by BROWNELLS. This guide is designed to ensure your safe use of the product and compliance with the EU General Product Safety Regulation (GPSR). It provides essential safety instructions, precautions, and contact information for further support.

## General Safety Guidelines

- Always read and understand all instructions before using the extractor.
- Ensure the extractor is compatible with your specific AR15/M16 model and 458 SOCOM bolts.
- Handle all firearm components with care and follow standard firearm safety practices.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- Regularly check for any recalls or safety updates regarding the product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or handling the extractor.
- Do not use the extractor if it shows signs of damage, wear, or corrosion.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Avoid using the extractor in any manner that is not recommended by the manufacturer.
- If you experience any issues with the extractor, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a punch and hammer.

### 2. Installation:

- Remove the existing extractor from the bolt using a punch to drive out the retaining pin.
- Align the new AR15 458 SOCOM Extractor with the bolt.
- Insert the retaining pin to secure the extractor in place, ensuring it is properly seated.

### 3. Usage:

- After installation, visually inspect the extractor to ensure it is properly installed and functioning.
- Test the extractor with dummy rounds to ensure it extracts properly before livefire testing.
- Always follow safe handling practices when using the firearm.

## Disposal Instructions

- Dispose of the extractor in accordance with local regulations for firearm components.
- Do not discard the extractor in regular household waste.
- Contact a local firearms dealer or waste disposal facility for proper disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 458 SOCOM Extractor, please consult your local firearms dealer or a qualified gunsmith for assistance. Additionally, check the EU's Safety Gate platform for updates regarding recalls and safety information.

By following these guidelines, you can ensure the safe and effective use of your AR15 458 SOCOM Extractor. Thank you for prioritizing safety.
