[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

AR-15 XTREME TRIGGERS 2-STAGE Whether you shoot competitively, train to defend yourself and your family, or you simply want to enjoy shooting out on the range, ensuring your rifle goes "bang" every time, without fail, is important. The HIPERFIRE Xtreme two-stage triggers feature the same technology that HIPERFIRE has become known for. Higher hammer strike energy, soft start lock-up technology, user adjustable pull weights, mil-grade components, and precision manufacturing come together to make one of the most robust two-stage triggers available today. Available in 2 different models. Mod-2 2 Stage Curved: Minimal, user adjustable, 2 - 3 pound first stage Minimal second stage wall with a 1 ½ pound weight Total 3 ½ - 4 ½ pound pull with green or red toggle springs respectively Shorter first stage than Mod-1 for a more fine-tuned feel Curved trigger bow allows for the addition of the HIPERSHOE® (sold separately) Mod-3 2-Stage Flat: Minimal, user adjustable, 2 - 3 pound first stage Minimal second stage wall with a 1 ½ pound weight Total pull 3 ½ - 4 ½ pound with green or red toggle springs respectively Shorter first stage than Mod-1 for a more fine-tuned feel Flat trigger bow includes HIPERSHOE® Both models include the following features: Distinct wall between first and second stages allows for effective "prepping" of the trigger for added confidence Clean, effortless break Weightless, imperceptible over-travel Include adjustment springs HIPERFIRE Xtreme triggers are compatible with AR-15s, 308 style ARs, and 9mm or PPC style ARs including the Six MPX.

# Safety Instruction Guide for AR15 XTREME TRIGGERS 2STAGE HIPERFIRE XTREME MOD2 TRIGGER

## Introduction

Thank you for choosing the AR15 XTREME TRIGGERS 2STAGE HIPERFIRE XTREME MOD2 TRIGGER. This safety instruction guide is designed to provide you with essential information to ensure safe and effective use of your trigger. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions provided in this guide. The product is designed for use with AR15s, 308 style ARs, and 9mm or PPC style ARs, including the Six MPX.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. Always check for updates.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by individuals under the age of 18. Keep out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for any alerts regarding unsafe products.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle the trigger with care. Treat every firearm as if it is loaded.
- **Installation:** Ensure that installation is performed by a qualified individual or gunsmith. Incorrect installation can lead to malfunction or injury.
- **Testing:** After installation, test the trigger in a safe environment. Ensure it functions correctly before using it in the field.
- **Regular Maintenance:** Regularly inspect and maintain the trigger to ensure optimal performance. Follow the manufacturer's guidelines for maintenance.
- **Environment:** Use the trigger in a safe and controlled environment, such as a shooting range. Avoid using it in crowded or unsafe locations.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction. Gather necessary tools for installation (e.g., screwdriver, wrench).
2. **Remove the Old Trigger:** Carefully disassemble the firearm according to the manufacturer's instructions. Remove the existing trigger assembly.
3. **Install the New Trigger:** Follow the manufacturer's specific instructions for installing the AR15 XTREME TRIGGERS 2STAGE HIPERFIRE XTREME MOD2 TRIGGER. Ensure that all components are securely in place and properly aligned.
4. **Reassemble the Firearm:** Carefully reassemble the firearm, ensuring all parts are correctly installed. Doublecheck that there are no loose components.

### Usage

- **Safety Check:** Always perform a safety check before using the firearm with the new trigger.
- **First Stage Pull Weight:** The Mod2 trigger features a minimal, useradjustable first stage pull weight of

2 - 3 pounds.

- **Second Stage Pull Weight:** The second stage wall has a weight of 1 ½ pounds, providing a total pull weight of 3 ½ 4 ½ pounds.
- **Trigger Adjustment:** Adjust the trigger according to your preference, ensuring it remains within the specified weight limits.
- **Practice:** Familiarize yourself with the trigger's feel and response by practicing in a safe environment.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding hazardous materials.
- **Recycling:** If applicable, recycle components that are no longer in use, such as packaging materials.
- **Disposal of Old Triggers:** If replacing an old trigger, ensure it is disposed of safely and responsibly.

## Contact Information for Further Support

For any questions or concerns regarding the AR15 XTREME TRIGGERS 2STAGE HIPERFIRE XTREME MOD2 TRIGGER, please refer to the contact information provided by your retailer or the manufacturer. They will be able to assist you with any inquiries related to safety, installation, or usage.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 XTREME TRIGGERS 2STAGE HIPERFIRE XTREME MOD2 TRIGGER. Always prioritize safety and responsible firearm handling.
