The DAKA Everyday Folding Wallet is the perfect solution for anyone looking for a durable, minimalist wallet that holds important items securely and protects them from the elements. It includes a transparent protective window that's perfect for an access or ID card, or anything you don't want to have to repeatedly remove from your wallet. It's also designed to hold up to seven cards, and the single external pocket can be used for quick access to items such as business cards or emergency bills. Cards are inserted from the center seam when the wallet is open, and each side can hold up to three cards. Once closed, the Everyday Folding Wallet creates a secure pocket for your valuable everyday carry items, no matter where your going or what you're doing.

# DAKA® Everyday Folding Wallet Safety Instructions

## Introduction

Thank you for choosing the DAKA Everyday Folding Wallet. This wallet is designed for durability and functionality, ensuring that your important items are securely stored and protected from the elements. Please read this safety instruction guide carefully to ensure safe use of the product.

## General Safety Guidelines

- Ensure that the wallet is used as intended to avoid any potential hazards.
- Keep the wallet away from extreme temperatures, moisture, and direct sunlight to maintain its integrity.
- Regularly check the wallet for any signs of wear or damage. If any damage is detected, discontinue use immediately.
- Store the wallet in a safe place, out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- The wallet is designed to hold up to seven cards. Do not exceed this limit to avoid overstretching and damaging the wallet.
- Avoid placing sharp objects inside the wallet, as they may puncture or tear the material.
- When inserting or removing cards, do so gently to prevent damage to the wallet and the cards.
- If using the external pocket, ensure that items are securely placed to prevent accidental loss.

## Instructions for Installation and Usage

### 1. Opening the Wallet:

- Open the wallet by unfolding it along the center seam.

### 2. Inserting Cards:

- Insert cards into the designated card slots from the center seam. Each side can hold up to three cards.
- Ensure that the cards are fully inserted and sit securely in their slots.

### 3. Using the External Pocket:

- Place items such as business cards or emergency bills in the external pocket for quick access.
- Ensure that the pocket is not overloaded to maintain the slim profile of the wallet.

### 4. Closing the Wallet:

- Once you have finished using the wallet, fold it back along the center seam to secure your items inside.
- Ensure that the wallet is fully closed to create a secure pocket for your everyday carry items.

## Disposal Instructions

- When the wallet reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for the proper disposal of polymer materials.
- If applicable, consider recycling options available in your area.
