[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Wallets](#)

The DAKA Everyday Folding Wallet is the perfect solution for anyone looking for a durable, minimalist wallet that holds important items securely and protects them from the elements. It includes a transparent protective window that's perfect for an access or ID card, or anything you don't want to have to repeatedly remove from your wallet. It's also designed to hold up to seven cards, and the single external pocket can be used for quick access to items such as business cards or emergency bills. Cards are inserted from the center seam when the wallet is open, and each side can hold up to three cards. Once closed, the Everyday Folding Wallet creates a secure pocket for your valuable everyday carry items, no matter where you're going or what you're doing.

Durable Daka Material Made of reinforced polymer fabric with anti-slip texture for secure handling Strong RF welded construction that creates permanent, impenetrable seals Chemical resistant and non-hygroscopic Holds up to 7 standard size Credit / ID / DL / Access cards External pocket for quick access to items Slim profile enhances comfort and reduces printing in pocket Suitable for EDC (everyday carry) and travel Folded: 4.0" L x 3.0" H Open: 5.6" L x 3.0" H

# DAKA® Everyday Folding Wallet Safety Instructions

## Introduction

Thank you for choosing the DAKA Everyday Folding Wallet. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your wallet. Please read this document carefully to understand how to use the product safely and responsibly.

## General Safety Guidelines

- Ensure the wallet is used only for its intended purpose as a cardholder and wallet.
- Keep the wallet away from extreme temperatures and direct sunlight to prevent damage to the material.
- Regularly check the wallet for any signs of wear or damage. If any damage is found, discontinue use immediately.
- Keep the wallet out of reach of children to prevent potential choking hazards from small items.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid overloading the wallet with more than seven cards to ensure proper functionality and durability.
- When inserting or removing cards, do so gently to prevent tearing of the wallet material.
- Do not expose the wallet to harsh chemicals or solvents, as this may damage the wallet's protective features.
- If using the external pocket, ensure that items are securely placed to avoid accidental loss.

## Instructions for Installation and Usage

### 1. Opening the Wallet:

- Hold the wallet in one hand with the opening facing you.
- Gently pull apart the sides to open the wallet fully.

### 2. Inserting Cards:

- Open the wallet completely.
- Insert cards into the designated slots from the center seam. Each side can hold up to three cards.
- Ensure that cards are inserted fully to avoid them slipping out.

### 3. Using the External Pocket:

- For quick access items, place them in the external pocket.
- Ensure the items are flat and do not exceed the pocket's capacity.

### 4. Closing the Wallet:

- After use, fold the wallet back together securely.
- Ensure that no cards or items are sticking out to maintain a slim profile.

### 5. Caring for Your Wallet:

- Wipe the wallet with a damp cloth to clean it. Avoid using abrasive cleaners.
- Store the wallet in a cool, dry place when not in use.

## Disposal Instructions

- When the wallet reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for proper disposal methods for polymer materials.
- Do not incinerate or dispose of the wallet in water bodies.
