

# DAKA® VOLUME POUCHES - MAGPUL DAKA VOLUME POUCH BLACK

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

The DAKA Volume Pouch was specifically designed to maximize usable storage space while maintaining a compact footprint. Its intuitive design allows the Volume Pouch to stand vertically on its own and expand up to three liters in size when in use. The wide mouth and water-resistant zippered opening allow the user to insert and remove items with one hand without having to hold it open with the other. The large translucent window makes organizing and locating gear even easier, and a single large carabiner attachment point doubles as a lashing point and carrying handle so your stored gear will always be at hand when needed. Like their other DAKA pouches, the Volume Pouch is made from polymer-infused textiles that are RF-welded on all seams and use water-resistant zippers. The construction methods and materials Magpul uses mean that their DAKA pouches are at home in hard use applications such as tool storage, as well as for lighter duties such as organizing your personal electronics. These water-resistant pouches will keep your gear dry in most wet environments, making them a great choice for most outdoor adventures. Unique material protects your stuff from exposure, moisture, and from getting lost Chemical resistant and non-hygroscopic Paint pen dot matrix debossed into body for identification marking Impenetrable seals on all sides and a water repellent zipper ensure secure, environment-proof storage Large carabiner attachment point Rugged but easy to open and close zipper

# DAKA® Volume Pouches Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA Volume Pouch by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that the pouch is used for its intended purpose.
- Regularly inspect the pouch for signs of wear or damage before use.
- Keep the pouch away from sharp objects that may puncture or tear the material.
- Avoid exposing the pouch to extreme temperatures or harsh chemicals that may compromise its integrity.
- Store the pouch in a dry place when not in use to prevent mold and mildew growth.

## Specific Safety Precautions for Use

- The DAKA Volume Pouch is designed for adult use. Ensure that children do not use the pouch unsupervised.
- Ensure that the zipper is fully closed before storing sensitive items to prevent moisture exposure.
- Do not overload the pouch beyond its maximum capacity of three liters, as this may compromise its structure.
- When carrying the pouch, ensure that the carabiner attachment is securely fastened to avoid accidental drops.
- If the pouch becomes wet, allow it to dry completely before storing items inside.

## Instructions for Installation and Usage

### 1. Unpacking the Pouch

- Carefully remove the pouch from its packaging.
- Inspect for any damage or defects.

### 2. Opening the Pouch

- Use one hand to hold the pouch while using the other hand to unzip the waterresistant zipper.
- Ensure the zipper is fully opened to access the interior.

### 3. Filling the Pouch

- Place items inside the pouch, ensuring not to exceed the threeliter capacity.
- Use the large mouth opening for easy access.

### 4. Closing the Pouch

- After filling, securely close the zipper to ensure water resistance.
- Check that the zipper is fully sealed to protect the contents.

### 5. Carrying the Pouch

- Use the large carabiner attachment point to attach the pouch to your gear or carry it by hand.
- Ensure that the attachment point is secure before moving.

## **Disposal Instructions**

- Dispose of the pouch responsibly at a recycling facility if it is no longer usable.
- Check local regulations for proper disposal methods of polymerinfused textiles.
- Do not incinerate the pouch as it may release harmful substances.

## **Contact Information for Further Support**

For safety inquiries or to report unsafe products, please consult the appropriate authorities or visit the EU's Safety Gate platform for updates on recalls and safety alerts.

Thank you for your attention to these safety guidelines. Enjoy your DAKA Volume Pouch and the convenience it brings to your outdoor adventures!
