

# DAKA® VOLUME POUCHES - MAGPUL DAKA VOLUME POUCH STEALTH GRAY

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

The DAKA Volume Pouch was specifically designed to maximize usable storage space while maintaining a compact footprint. Its intuitive design allows the Volume Pouch to stand vertically on its own and expand up to three liters in size when in use. The wide mouth and water-resistant zippered opening allow the user to insert and remove items with one hand without having to hold it open with the other. The large translucent window makes organizing and locating gear even easier, and a single large carabiner attachment point doubles as a lashing point and carrying handle so your stored gear will always be at hand when needed. Like their other DAKA pouches, the Volume Pouch is made from polymer-infused textiles that are RF-welded on all seams and use water-resistant zippers. The construction methods and materials Magpul uses mean that their DAKA pouches are at home in hard use applications such as tool storage, as well as for lighter duties such as organizing your personal electronics. These water-resistant pouches will keep your gear dry in most wet environments, making them a great choice for most outdoor adventures. Unique material protects your stuff from exposure, moisture, and from getting lost Chemical resistant and non-hygroscopic Paint pen dot matrix debossed into body for identification marking Impenetrable seals on all sides and a water repellent zipper ensure secure, environment-proof storage Large carabiner attachment point Rugged but easy to open and close zipper

# DAKA® Volume Pouches Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA® Volume Pouches by MAGPUL. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the pouch and keep it for future reference.

## General Safety Guidelines

- Ensure the pouch is used only for its intended purpose as described in this guide.
- Always inspect the pouch before use for any signs of damage or wear.
- If the pouch is damaged, discontinue use immediately and replace it.
- Keep the pouch out of reach of children to prevent potential hazards.
- Do not use the pouch in environments or for purposes that exceed its intended limits.

## Specific Safety Precautions for Use

- Avoid overloading the pouch beyond its maximum capacity of three liters.
- Ensure that the waterresistant zipper is fully closed before exposing the pouch to wet conditions.
- Do not expose the pouch to extreme temperatures or direct flame, as this may damage the materials.
- When using the carabiner attachment point, make sure it is securely fastened to prevent accidental detachment.
- Regularly clean the pouch as per the care instructions to maintain its functionality and appearance.

## Instructions for Installation and Usage

### 1. Unpacking the Pouch

- Remove the pouch from its packaging.
- Inspect for any visible damage or defects.

### 2. Setting Up the Pouch

- To expand the pouch, gently pull the sides apart until it reaches the desired size.
- Ensure the pouch stands vertically on its own for ease of access.

### 3. Filling the Pouch

- Open the waterresistant zipper by pulling the tab.
- Insert items into the pouch through the wide mouth opening.
- For onehanded operation, hold the pouch with one hand while using the other to place or remove items.

### 4. Closing the Pouch

- After filling, securely close the zipper by pulling the tab until it is fully sealed.
- Ensure that the zipper is intact and there are no gaps for water or debris to enter.

### 5. Carrying the Pouch

- Use the large carabiner attachment point to secure the pouch to a backpack or belt.
- Alternatively, use it as a carrying handle for easy transport.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local regulations for plastic materials.
- Do not incinerate the pouch as it may release harmful substances.
- If the pouch is no longer usable, consider recycling it if possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety or product usage, please refer to the manufacturer's contact details provided separately.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your DAKA® Volume Pouches. Thank you for your attention to safety and for choosing MAGPUL products.
