

# DAKA® VOLUME POUCHES - MAGPUL DAKA VOLUME POUCH FLAT DARK EARTH

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

The DAKA Volume Pouch was specifically designed to maximize usable storage space while maintaining a compact footprint. Its intuitive design allows the Volume Pouch to stand vertically on its own and expand up to three liters in size when in use. The wide mouth and water-resistant zippered opening allow the user to insert and remove items with one hand without having to hold it open with the other. The large translucent window makes organizing and locating gear even easier, and a single large carabiner attachment point doubles as a lashing point and carrying handle so your stored gear will always be at hand when needed. Like their other DAKA pouches, the Volume Pouch is made from polymer-infused textiles that are RF-welded on all seams and use water-resistant zippers. The construction methods and materials Magpul uses mean that their DAKA pouches are at home in hard use applications such as tool storage, as well as for lighter duties such as organizing your personal electronics. These water-resistant pouches will keep your gear dry in most wet environments, making them a great choice for most outdoor adventures. Unique material protects your stuff from exposure, moisture, and from getting lost Chemical resistant and non-hygroscopic Paint pen dot matrix debossed into body for identification marking Impenetrable seals on all sides and a water repellant zipper ensure secure, environment-proof storage Large carabiner attachment point Rugged but easy to open and close zipper

# DAKA VOLUME POUCH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the DAKA Volume Pouch from Magpul. This guide provides important safety instructions to ensure the safe use and maintenance of your pouch. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose of storing and organizing gear.
- Regularly inspect the pouch for signs of wear or damage. If any damage is found, discontinue use immediately.
- Keep the pouch out of reach of children to prevent accidental injury or misuse.
- Store the pouch in a dry place when not in use to maintain its waterresistant properties.
- Follow local regulations for disposal of the pouch at the end of its life cycle.

## Specific Safety Precautions for Use

- Do not overload the pouch beyond its capacity of three liters, as this may compromise its integrity and functionality.
- Avoid exposing the pouch to extreme temperatures or direct sunlight for prolonged periods.
- Ensure that the zipper is fully closed before storing the pouch to maintain its waterresistant features.
- When using the carabiner attachment point, ensure it is securely fastened to prevent accidental detachment.
- Avoid storing sharp objects that may damage the pouch's material.

## Instructions for Installation and Usage

### 1. Opening the Pouch:

- Use one hand to hold the pouch and the other hand to unzip the waterresistant zipper.
- Ensure the zipper is fully open before inserting or removing items.

### 2. Filling the Pouch:

- Insert items into the pouch through the wide mouth opening.
- Avoid overfilling to maintain the pouch's shape and functionality.

### 3. Sealing the Pouch:

- After placing items inside, ensure that the zipper is fully closed to protect contents from moisture and environmental elements.

### 4. Carrying the Pouch:

- Utilize the large carabiner attachment point for easy carrying or lashing to other gear.
- Ensure the carabiner is securely attached to prevent loss during transport.

### 5. Cleaning and Maintenance:

- Clean the pouch with a damp cloth and mild soap if necessary. Do not use harsh chemicals.
- Allow the pouch to air dry completely before storing it.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local waste management regulations.
- If the pouch is damaged beyond repair, consider recycling materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or additional information regarding the DAKA Volume Pouch, please contact the manufacturer or refer to the product packaging for guidance.

By following these guidelines, you can ensure the safe and effective use of your DAKA Volume Pouch. Thank you for your attention to safety and for choosing Magpul products.
