

DAKA® VOLUME POUCHES - MAGPUL DAKA VOLUME POUCH OD GREEN

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

The DAKA Volume Pouch was specifically designed to maximize usable storage space while maintaining a compact footprint. Its intuitive design allows the Volume Pouch to stand vertically on its own and expand up to three liters in size when in use. The wide mouth and water-resistant zippered opening allow the user to insert and remove items with one hand without having to hold it open with the other. The large translucent window makes organizing and locating gear even easier, and a single large carabiner attachment point doubles as a lashing point and carrying handle so your stored gear will always be at hand when needed. Like their other DAKA pouches, the Volume Pouch is made from polymer-infused textiles that are RF-welded on all seams and use water-resistant zippers. The construction methods and materials Magpul uses mean that their DAKA pouches are at home in hard use applications such as tool storage, as well as for lighter duties such as organizing your personal electronics. These water-resistant pouches will keep your gear dry in most wet environments, making them a great choice for most outdoor adventures. Unique material protects your stuff from exposure, moisture, and from getting lost Chemical resistant and non-hygroscopic Paint pen dot matrix debossed into body for identification marking Impenetrable seals on all sides and a water repellant zipper ensure secure, environment-proof storage Large carabiner attachment point Rugged but easy to open and close zipper

DAKA® VOLUME POUCHES MAGPUL DAKA

VOLUME POUCH OD GREEN Safety Instruction Guide

Introduction

Thank you for choosing the DAKA® Volume Pouch. This guide provides essential safety information to ensure the safe use and maintenance of your product. Please read this guide carefully before using the pouch and keep it for future reference.

General Safety Guidelines

- Always inspect the pouch for any signs of damage before use. Do not use if damaged.
- Ensure that the pouch is used only for its intended purpose, which is to store and organize gear and personal items.
- Keep the pouch away from extreme temperatures and direct sunlight to prevent material degradation.
- Store the pouch in a dry place when not in use to maintain its waterresistant properties.
- Be cautious when using sharp objects near the pouch to avoid puncturing or tearing the material.
- For children, ensure adult supervision when using the pouch to prevent any potential hazards.

Specific Safety Precautions for Use

- Do not overload the pouch beyond its capacity of three liters to avoid strain on zippers and seams.
- Avoid storing items that may cause chemical reactions with the pouch's material, despite its chemical resistance.
- Ensure that the zipper is fully closed before exposure to moisture to maintain the waterresistant feature.
- Use the carabiner attachment point only for securing the pouch and not for climbing or other heavyduty applications.
- Regularly check the seals and zippers for wear and tear to ensure continued effectiveness in protecting your items.

Instructions for Installation and Usage

1. **Unpacking the Pouch:** Carefully remove the pouch from its packaging, avoiding sharp objects that may damage the material.
2. **Initial Inspection:** Check for any visible damage or defects. If found, do not use the pouch.
3. **Filling the Pouch:**
 - Open the waterresistant zippered opening.
 - Insert items into the pouch, ensuring not to exceed the threeliter capacity.
 - Use the large translucent window to organize and locate your gear easily.
4. **Closing the Pouch:**
 - Ensure all items are securely inside before closing.
 - Zip the pouch completely to maintain its waterresistant properties.
5. **Attaching the Pouch:**
 - Use the carabiner attachment point to secure the pouch to a backpack or belt loop for easy access.
 - Avoid using the carabiner for climbing or heavyduty applications.
6. **Cleaning and Maintenance:**
 - Wipe the exterior with a damp cloth to clean.
 - Avoid using harsh chemicals that may damage the material.
 - Store the pouch in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations for plastic and textile waste.
- If the pouch is damaged beyond repair, consider recycling options if available.
- Do not incinerate the pouch as it may release harmful substances.
