

DAKA TAKEOUT POUCH - MAGPUL DAKA TAKEOUT KIT BAG FLAT DARK EARTH

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

The DAKA Takeout is a durable, weather resistant, 3.5-liter kit bag that's perfect for almost every indoor and outdoor activity you can think of. Value-priced under \$30, the Takeout is the perfect option whether you're headed to the range, organizing your gear room, storing things on your boat, storing or transporting tools, or even picking up brass. Like all our DAKA products, the Takeout is made from polymer-infused textiles that are RF welded on every seam. It also incorporates our famous water-resistant YKK Aqua Guard zipper to ensure security. The construction methods and materials used in the DAKA line mean that these pouches are at home in a variety of hard-use applications, yet they're stylish enough to be front and center in your vehicle or office. Easily access your gear through the full-length water repellent zipper and, for larger items, release the two quick release buckles for a taller and wider opening. Both buckles also double as handles for easy transportation. In the event you want to securely hang the Takeout, simply release one of the quick-release buckles, loop it around the object, and reattach. These water-resistant pouches will keep your items dry in most wet environments, making them a great choice for most outdoor adventures. Made of reinforced polymer fabric with anti-slip texture for secure handling Strong RF welded construction that creates permanent, impenetrable seals Chemical resistant and non-hygroscopic YKK Aqua Guard water repellent zipper 550 paracord with heat shrink tubing for enhanced grip, even with gloves Expandable opening to accommodate larger or taller items Two quick-release buckles double as handles and attachment points

DAKA Takeout Pouch Safety Instruction Guide

Introduction

Thank you for choosing the DAKA Takeout Pouch by MAGPUL. This durable, weatherresistant kit bag is designed for various indoor and outdoor activities. To ensure safe and effective use of your DAKA Takeout Pouch, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage.
- Keep the pouch away from fire, extreme heat, and sharp objects.
- Store the pouch in a cool, dry place when not in use.
- If the pouch becomes damaged, discontinue use immediately and dispose of it properly.
- Keep out of reach of children to prevent accidents or misuse.

Specific Safety Precautions for Use

- **Water Resistance:** While the DAKA Takeout Pouch is designed to be waterresistant, it is not waterproof. Avoid submerging it in water.
- **Weight Limit:** Do not exceed the recommended weight limit for the pouch to prevent tearing or damage.
- **Chemical Exposure:** Avoid exposure to harsh chemicals that may degrade the materials.
- **Zipper Care:** Ensure the zipper is fully closed before transporting to avoid loss of contents.
- **QuickRelease Buckles:** Use caution when operating the quickrelease buckles to prevent pinching fingers.
- **Handling:** Use the reinforced handles and paracord for carrying to ensure a secure grip.

Instructions for Installation and Usage

1. Opening the Pouch:

- Use the fulllength waterrepellent zipper to open the pouch.
- For larger items, release the two quickrelease buckles to create a wider opening.

2. Filling the Pouch:

- Place items carefully inside the pouch, ensuring weight is evenly distributed.
- Do not overload the pouch beyond its capacity.

3. Securing Contents:

- After filling, close the zipper completely to secure contents.
- Use the quickrelease buckles to further secure the pouch if necessary.

4. Transporting the Pouch:

- Use the handles provided for easy transportation.
- If hanging the pouch, loop one of the quickrelease buckles around a secure object and reattach.

5. Cleaning and Maintenance:

- Wipe the exterior with a damp cloth to remove dirt and debris.
- Allow the pouch to air dry completely before storing.

Disposal Instructions

- If the pouch is no longer usable, dispose of it in accordance with local waste management regulations.
- Do not incinerate the pouch as it may release harmful substances.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the DAKA Takeout Pouch, please refer to the contact information provided by your retailer or visit the MAGPUL website for further assistance.

By following these guidelines, you can ensure the safe and effective use of your DAKA Takeout Pouch. Thank you for your attention to these important safety instructions. Enjoy your adventures with confidence!
