

# AR-15 MK16 SUPER MODULAR RAILS M-LOK - GEISSELE AUTOMATICS MK16 SM RAIL 13.5" M-LOK FOR AR-15 BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Super Modular Rail 13.5" (SMR) MK16 M-LOK®, NSN# 1005-01-672-4794 (13.5"), has been adopted by USASOC for the URG-I program (Upper Receiver Group Improved). The Geissele Super Modular Rail MK16 offers unmatched performance for the most demanding shooters. Mounted to your AR-15 upper using the updated version of the proven Geissele Barrel Nut design, the MK16 is not only easy to install and maintain but offers superior rigidity. Anti-rotation tabs and set-screws ensure that your rail will won't rotate, even under the most extreme conditions of use. M1913 picatinny rail on top and M-LOK™ slots on every quadrant ensures maximum customization for all your accessories. The Geissele SMR MK16 is precision machined using 6061-T6 Aluminum due to its strong, rigid, and light properties, and is finished in durable Type-3 Hardcoat anodized. A 9.3" variant of the MK16 is also available for users requiring a shorter platform. HEIGHT: 2.39" COLOR: Black or DDC MATERIAL: 6061-T6 FINISH: Type 3 Hardcoat Anodize AVAILABLE LENGTHS: 9.3" or 13.5" INNER DIAMETER: 1.26" OUTER DIAMETER (DAQ\*): 1.59" SMR MK16 9.3" WEIGHT: 10.1oz (11.74oz w/ barrel nut) SMR MK16 13.5" WEIGHT: 13.4oz (14.9oz w/ barrel nut)

# Safety Instruction Guide for AR15 MK16 Super Modular Rails MLOK

## Introduction

Thank you for choosing the AR15 MK16 Super Modular Rails MLOK by Geissele Automatics. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is installed and used in accordance with the manufacturer's instructions.
- Always handle firearms and accessories responsibly and safely.
- Regularly inspect the product for any signs of wear or damage.
- Do not use the product if it appears damaged or malfunctioning.
- Keep the product out of the reach of children and unauthorized users.
- Report any unsafe product experiences to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the rail.
- Use only compatible accessories with the MLOK slots to avoid potential hazards.
- Avoid using the product under extreme conditions without proper checks.
- Do not exceed the weight limit of the rail; check specifications for maximum load.
- Ensure that the rail is securely mounted to prevent accidental detachment during use.
- Wear appropriate protective gear when handling firearms.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure you have the necessary tools for installation, including a torque wrench.
- Verify that you have the correct Geissele Barrel Nut for the MK16 rail.

#### 2. Mounting the Rail

- Remove the existing handguard from your AR15 upper.
- Install the Geissele Barrel Nut according to the provided instructions.
- Align the MK16 rail with the barrel nut and secure it using the antirotation tabs and set screws.
- Use a torque wrench to tighten the screws to the manufacturer's specified torque settings.

#### 3. Final Checks

- Ensure that the rail is securely attached and does not rotate.
- Check that all screws are tightened and there are no loose parts.

### Usage

- Attach accessories to the MLOK slots as needed, ensuring they are securely fastened.
- Regularly inspect the rail for any signs of wear or damage, especially after extensive use.
- Clean the rail as needed, following the manufacturer's recommendations for maintenance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum components where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's website or customer support channels.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your AR15 MK16 Super Modular Rails MLOK responsibly!
