

# WRAPTER RUBBER ADHESIVE GRIPS - HOGUE WRAPTER RUBBER GRIP GLOCK® 17 GEN 3, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Utilizing the same precision fit standards as OverMolded® rubber grips, Hogue has engineered a remarkably thin grip solution for polymer frame pistols. In order to increase grip and performance, shooters have previously resorted to custom stippling which dramatically compromised their firearm's factory frame. The Hogue Wrapter Adhesive Grip System will provide superior grip and hold while preserving the original condition of the firearm. FEATURES Renowned Hogue rubber feel Ultra thin profile - 30% thinner than a credit card Engineered to conform to the exact contours of your firearm's frame Multi-piece design provides optimal coverage Left-over remnant material offers customization options

# WRAPTER RUBBER ADHESIVE GRIPS HOGUE WRAPTER RUBBER GRIP GLOCK® 17 GEN 3, BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the Hogue Wrapter Rubber Adhesive Grips for your Glock® 17 Gen 3. This guide provides important safety information, installation instructions, and general guidelines to ensure safe use of the product. Please read this document carefully before using the grips.

## General Safety Guidelines

- Ensure that the grips are compatible with your specific firearm model before installation.
- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Inspect the grips for any damage or defects before use. Do not use if damaged.
- Keep the grips out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Regularly check for updates regarding product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the grips are designed for use with Glock® models 37, 17, 17L, 22, 24, 34, 35, 31, 18, and Gen 3.
- **Installation:** Follow the installation instructions carefully to avoid improper application which could affect grip performance.
- **Adhesive Caution:** The adhesive used in the grips is strong. Avoid contact with skin and eyes. If contact occurs, wash the area with soap and water.
- **Grip Maintenance:** Keep the grips clean and free from oils or solvents that may affect adhesion.
- **Performance Monitoring:** Regularly check the grips for wear and tear, and replace them if they no longer provide a secure grip.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Clean the surface of your firearm's grip frame to remove any dirt, oil, or residue.
- Ensure the firearm is unloaded and pointed in a safe direction.

#### 2. Applying the Grips:

- Peel off the backing from the adhesive side of the grip.
- Carefully align the grip with the contours of your firearm's frame.
- Press firmly to ensure proper adhesion. Pay attention to the edges to prevent lifting.

#### 3. Final Checks:

- Allow the adhesive to cure for the recommended time as indicated by the manufacturer.
- Test the grip by holding the firearm to ensure it feels secure and comfortable.

## **Usage Instructions**

- Always maintain a firm grip on the firearm while handling or shooting.
- Be mindful of the grip's condition during use and replace if necessary.

## **Disposal Instructions**

- Dispose of any unused or damaged grips in accordance with local regulations.
- Do not incinerate the grips as they may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the Hogue Wrapter Rubber Adhesive Grips, please refer to the manufacturer's contact information provided with your product packaging or visit their official website for support and assistance.

Thank you for prioritizing safety and responsible firearm ownership. Enjoy your enhanced grip experience with Hogue.
