Safety Instruction Guide for AR15 Ultralight Handguards MLOK

Introduction

Thank you for choosing the AR15 Ultralight Handguards MLOK by Midwest Industries. This guide provides important safety information and instructions to ensure the safe use and installation of your new handguards. Please read this guide thoroughly before use.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the handguards are compatible with your AR15 model.
- Inspect the handguards and hardware for any damage before installation.
- Keep all components out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure the firearm is unloaded before beginning installation.
- Use the provided barrel nut wrench to avoid overtightening.
- Do not use the handguards on gas piston ARs, as specified by the manufacturer.

• Operational Precautions:

- Regularly check the tightness of the handguards after installation.
- Do not exceed the weight limit specified for the handguards.
- Avoid using the handguards in extreme conditions that may compromise their integrity.

• Maintenance Precautions:

- Clean the handguards regularly to prevent the buildup of debris.
- Inspect for any signs of wear or damage before each use.
- Replace any damaged components immediately.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the barrel nut wrench.
- Ensure you are working in a clean, well-lit environment.

2. Installation Steps:

- Ensure the AR15 is unloaded and safe.
- Remove the existing handguards, if applicable.
- Install the titanium barrel nut using the provided wrench. Ensure it is securely fastened but do not overtighten.
- Attach the new handguards to the barrel nut, ensuring they are aligned correctly.
- Secure the handguards using the included screws. Make sure they are tightened properly.

- Install the polymer MLOK rail as needed.

3. Usage:

- Once installed, familiarize yourself with the handguards.
- Use the integral antirotation QD sling sockets for secure attachment of slings.
- Ensure all accessories are compatible with MLOK slots.

Disposal Instructions

- Dispose of the handguards and any associated hardware in accordance with local regulations.
- Recycle materials where possible, following local recycling guidelines.
- Do not dispose of in regular household waste if the product is damaged or contains hazardous materials.

Contact Information for Further Support
