AR15 Ultralight Handguards MLOK Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Ultralight Handguards MLOK by Midwest Industries. This product is designed for optimal performance and durability. Please read this safety instruction guide carefully to ensure safe usage and installation of your handguards.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Store the handguards in a safe place, away from children and unauthorized users.
- Regularly inspect the handguards for wear or damage before each use.
- If you notice any defects or unusual wear, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Use only the specified tools and equipment for installation to avoid injury or damage.
- Do not exceed the manufacturer's recommended weight limits for accessories attached to the handguards.
- Ensure that all screws and fittings are securely tightened before use.
- Avoid using the handguards in extreme temperatures or environments that may compromise their integrity.
- Do not modify or alter the handguards in any way, as this may affect their safety and performance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including the included barrel nut wrench.
- Ensure your workspace is clean and free of distractions.

2. Installation Steps

- Remove the existing handguards from your AR15 firearm.
- Install the titanium barrel nut using the included screws, following the torque specifications provided in the product manual.
- Attach the handguards to the barrel nut, ensuring they are aligned properly.
- Secure the handguards in place by tightening all screws until snug, but do not overtighten.

3. PostInstallation Check

- Perform a visual inspection to ensure that the handguards are securely attached.
- Test the handguards by applying gentle pressure to ensure stability.

4. Usage

- Use the handguards as intended for mounting accessories.
- Regularly check for any signs of loosening or damage during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the handguards in regular household waste; check for recycling options for aluminum materials.
- Ensure that any titanium components are also disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Ultralight Handguards MLOK, please refer to the manufacturer's website or customer service for assistance.

Conclusion

By following the safety guidelines and instructions outlined in this guide, you can ensure safe and effective use of your AR15 Ultralight Handguards MLOK. Thank you for prioritizing safety and compliance with EU regulations.
