Accessorize Your Handguard with Ease

COMBAT M-LOK FREE FLOAT HANDGUARDS FOR AR-15 One of the latest handguard designs purpose-built for the popular AR-15 platform is the Midwest Industries Combat M-LOK Rail Handguard. This unique, free-float design is made to offer a range of accessory-attachment options, allowing users to customize their rifle for their unique needs. Each Midwest Industries Combat M-LOK Rail Handguard is machined entirely from aluminum and features seven rows of M-LOK-compatible attachment points. The top of the handguard provides a continuous Picatinny rail for optics and other accessories, and the handguard even offers two separate quick-detach sling sockets that feature an anti-rotation design. Features Color: black May not fit all billet upper receiver designs Not for use with gas-piston AR rifles Fully free-floated design Completely made in the USA, the Midwest Industries Combat M-LOK Rail Handguard includes a heat-treated barrel nut and an installation wrench.

Safety Instruction Guide for COMBAT MLOK FREE FLOAT HANDGUARDS FOR AR15

Introduction

Thank you for choosing the Midwest Industries Combat MLOK Free Float Handguards for AR15. This product is designed to enhance your shooting experience by providing a customizable platform for accessories. However, to ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

To ensure safe use of the Combat MLOK Handguards, please adhere to the following guidelines:

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installing or adjusting the handguard.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during installation.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard and all attachments for wear and damage.
- Follow all local laws and regulations regarding firearm modifications and accessories.

Specific Safety Precautions for Use

When using the Combat MLOK Free Float Handguards, please observe these specific safety precautions:

- Ensure compatibility with your AR15 model before installation.
- Do not exceed the weight limit of attachments on the handguard.
- Avoid using the handguard with gaspiston AR rifles, as it may not be suitable.
- Use the provided heattreated barrel nut and installation wrench for proper installation.
- Do not modify the handguard or its components in any way that could compromise safety.
- Always check for secure attachment of accessories before use.

Instructions for Installation and Usage

To install and use the Combat MLOK Free Float Handguards safely, follow these steps:

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the provided installation wrench.

2. Installation

- Remove the existing handguard from your AR15 according to the manufacturer's instructions.
- Install the heattreated barrel nut onto the upper receiver of the firearm.
- Align the Combat MLOK Handguard with the barrel nut and slide it into place.
- Secure the handguard using the provided installation wrench, ensuring it is tightly fitted without overtorquing.
- Attach any desired accessories to the MLOKcompatible attachment points.

3. Usage

- Once installed, conduct a thorough inspection to ensure all components are secure.
- Test the functionality of all attachments before use.

- When firing, maintain a proper grip on the handguard and avoid placing hands near the muzzle.

Disposal Instructions

When the Combat MLOK Handguards reach the end of their life cycle, please dispose of them responsibly:

- Do not dispose of the handguard in regular household waste.
- Check with local waste management authorities for proper disposal methods for aluminum and firearm components.
- Consider recycling the aluminum material where applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Combat MLOK Free Float Handguards, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure the safe use of the Midwest Industries Combat MLOK Free Float Handguards for AR15. Always prioritize safety and compliance with local laws while enjoying your shooting experience. Thank you for your attention to these important safety instructions.
