# Safety Instruction Guide for COMBAT MLOK Free Float Handguards for AR15

## Introduction

Thank you for choosing the COMBAT MLOK Free Float Handguards for AR15 by Midwest Industries. This product is designed to enhance your rifle's performance while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use and maintain the handguard properly.

## General Safety Guidelines

- Ensure that the handguard is compatible with your specific AR15 model before installation.
- Always handle firearms and accessories with care to prevent accidents.
- Store the handguard in a secure location, away from children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications during installation to avoid damaging the handguard or the firearm.
- Ensure that all accessories attached to the handguard are securely fastened before use.
- Avoid using the handguard in extreme temperatures or conditions that may affect its integrity.
- Be aware that the handguard may become hot during use; handle with care to avoid burns.
- Do not use the handguard with gas piston AR rifles, as it is not designed for such applications.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including an installation wrench and a heat-treated barrel nut (included).
- Ensure that your workspace is clean and free of distractions.

### 2. Installation Steps

- Remove the existing handguard from your AR15 by following the manufacturer's instructions.
- Install the heat-treated barrel nut onto the upper receiver, ensuring it is properly aligned.
- Attach the COMBAT MLOK handguard to the barrel nut by sliding it into place.
- Secure the handguard by tightening the screws provided, following the recommended torque specifications.
- Attach any desired accessories using the MLOK-compatible attachment points.
- Verify that the handguard is securely installed and that all attachments are tight.

### 3. Usage

- After installation, perform a function check to ensure that the rifle operates correctly with the new handguard.
- Regularly check the handguard and attachments for tightness and wear during use.

## Disposal Instructions

- Dispose of the handguard and any packaging materials in accordance with local regulations.
- Do not incinerate the handguard, as it may release harmful substances.

- If the handguard is damaged and cannot be used, please contact your local waste management facility for proper disposal methods.
