

GREEN SPRINGS MAGAZINE SPRINGS FOR RUGER® 10/22® - TANDEMKROSS GREEN SPRINGS MAGAZINE SPRINGS FOR RUGER® 10/22® 3-PACK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Springs](#)

Upgrade your Ruger® 10/22 rotary magazines with aftermarket Ruger® 10/22 rotary magazine torsion springs from TANDEMKROSS. Every time a magazine is fully loaded it reduces the output torque of the spring by a very small amount. Over time and many cycles the reduction in torque affects the reliability of the magazine. The new replacement rotary magazine torsion spring are wound with missile wire to prolong spring life and provide long lasting performance. The green color of the magazine springs is a simple way to show your #TANDEMIZED pride and keep your upgraded springs separate from factory springs. Supported Models: Ruger® 10/22® Ruger® 10/22 Carbine Ruger® 10/22 Takedown® Ruger® 10/22 Takedown LITE® Ruger® 10/22 Compact Ruger® 10/22 Tactical Ruger® 10/22 Sporter

Safety Instruction Guide for GREEN SPRINGS MAGAZINE SPRINGS FOR RUGER® 10/22®

Introduction

Thank you for choosing the GREEN SPRINGS MAGAZINE SPRINGS FOR RUGER® 10/22® from TANDEM KROSS. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before use to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Ensure that the product is used only with compatible Ruger® 10/22 models as listed in the product description.
- Always handle the magazine springs with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the magazine springs for any signs of damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the magazine springs.
- Use protective eyewear when handling or installing the springs to prevent eye injuries.
- Avoid using excessive force during installation, as this may damage the springs or the magazine.
- Do not modify the springs in any way, as this can affect their performance and safety.
- Store the magazine springs in a cool, dry place to maintain their integrity.

Instructions for Installation and Usage

1. Preparation

- Ensure that your Ruger® 10/22 firearm is unloaded.
- Gather necessary tools, if required, for installation.

2. Installation

- Remove the existing magazine springs from the magazine.
- Carefully insert the new GREEN SPRINGS MAGAZINE SPRINGS into the magazine, ensuring they are properly aligned.
- Make sure that the springs are seated correctly and securely before reassembling the magazine.
- Reattach the magazine to the firearm according to the manufacturer's instructions.

3. Usage

- Load the magazine with ammunition as per the manufacturer's guidelines.
- Regularly check the performance of the magazine springs during use. If you notice any irregularities, stop using the product immediately.

Disposal Instructions

- Dispose of old or damaged magazine springs in accordance with local regulations.
- Do not dispose of springs in regular household waste. Instead, check for local recycling programs or

hazardous waste disposal services.

Contact Information for Further Support

For any questions or concerns regarding the GREEN SPRINGS MAGAZINE SPRINGS FOR RUGER® 10/22®, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new magazine springs. Thank you for your attention to safety.
