

# SHADOW MOUNTS V2.0 FOR RUGER® PC CARBINE™ - TANDEMKROSS SHADOW MOUNT V2.0 FOR RUGER PC CARBINE BLACK

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Rear Sight Bases](#)

Tandemkross' popular low profile "Shadow" Mount V2 is now available for the Ruger® PC Carbine™! The PC Carbine comes standard with a quick takedown barrel, however the sight alignment can change each time the barrel is removed when using the factory receiver mounted sight. The TandemKross Shadow mount connects directly to the barrel so that the sight adjustment is never affected by removing and reinstalling the barrel. The shadow mount excels in accommodating footprints of many popular RMR sights including Trijicon, Burris, Leupold, CMore, Vortex, Crimson Trace, and many others! Hardware is included for mounting all versions of sight the listed in the compatibility chart. So if you want the greatest value, repeatability, and flexibility all in one American made mount, choose the TandemKross "Shadow" Mount V2! \*Please Note\* MLOCK hand-guards will require an additional adaptor for successful installation.

## Attributes

- Name: [TANDEMKROSS SHADOW MOUNT V2.0 FOR RUGER PC CARBINE BLACK](#)

# SHADOW MOUNTS V2.0 FOR RUGER® PC CARBINE™ Safety Instruction Guide

## Introduction

Thank you for choosing the TandemKross Shadow Mount V2.0 for your Ruger® PC Carbine™. This guide provides important safety information, installation instructions, and general usage guidelines to ensure your product is used safely and effectively.

## General Safety Guidelines

- Always handle firearms and accessories with care and responsibility.
- Ensure the firearm is unloaded before installing or adjusting the mount.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mount and firearm for any signs of wear or damage.
- Use only compatible sights as indicated in the compatibility chart.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the mount is securely attached to the barrel before use.
- Do not attempt to remove or install the barrel while the firearm is loaded.
- Follow the manufacturer's instructions for sight installation to prevent misalignment.
- Avoid using the mount in environments that may cause corrosion or damage.
- If using MLOCK handguards, ensure the additional adaptor is properly installed.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and hardware included with your Shadow Mount.
- Ensure the firearm is unloaded and in a safe position.

### 2. Installation Steps:

- Remove the factorymounted sight from the firearm.
- Align the TandemKross Shadow Mount with the barrel and secure it using the provided hardware.
- Tighten all screws to ensure a stable fit, but do not overtighten.
- Install your chosen sight onto the Shadow Mount, following the specific instructions for that sight.

### 3. Usage:

- After installation, check the alignment of the sight. Make adjustments as necessary.
- Practice safe handling and storage of your firearm at all times.
- Regularly check the mount and sight for any signs of loosening or damage before use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer needed, consider recycling components where possible.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the TandemKross Shadow Mount V2.0, please refer to the manufacturer's official website or customer support channels.

By following these guidelines, you can ensure a safe and enjoyable experience with your TandemKross Shadow Mount V2.0 for Ruger® PC Carbine™. Thank you for prioritizing safety and compliance with EU regulations.
